## **Principles Of Managerial Finance Brief Financeworks:**

*Principles of Managerial Finance* Lawrence J. Gitman, 2003 Gitman's Brief Third Edition approaches introductory finance with a focused concentration on the fundamental concepts, techniques, and practices of managerial finance. Integrating pedagogy with the concepts and practical applications necessary for a solid understanding of managerial finance, this edition equips instructors and students to concentrate on the concepts, techniques, and practices for keen financial decision making in an increasingly competitive business environment. *Principles of Managerial Finance* Lawrence J. Gitman, Roger Juchau, Jack Flanagan, 2015-05-20 Once again *Principles of Managerial Finance* brings you a user-friendly text with strong pedagogical features and an easy-to-understand writing style. The new edition continues to provide a proven learning system that integrates pedagogy with concepts and practical applications, making it the perfect learning tool for today's students. The book concentrates on the concepts, techniques, and practices that are needed to make key financial decisions in an increasingly competitive business environment. Not only does this text provide a strong basis for further studies of Managerial Finance, but it also incorporates a personal finance perspective. The effect is that students gain a greater understanding of finance as a whole and how it affects their day-to-day lives; it answers the question "Why does finance matter to ME?" By providing a balance of managerial and personal finance perspectives, clear exposition, comprehensive content, and a broad range of support resources, *Principles of Managerial Finance* will continue to be the preferred choice for many introductory finance courses. *Principles of Managerial Finance* Lawrence J.
