Principles and Problems of Translation in Seventeenth-century England □□□□, 1981 **Studies in Eighteenth-Century Culture** Catherine E. Ingrassia, Jeffrey S. Ravel, 2005-05-04 With this well illustrated new volume the SECC continues its tradition of publishing innovative interdisciplinary scholarship on the interpretive edge Essays include Misty Anderson Our Purpose is the Same Whitefield Foote and the Theatricality of Methodism Tili Boon Cuill La Vraisemblance du merveilleux Operatic Aesthetics in Cazotte's Fantastic Fiction Simon Dickie Joseph Andrews and the Great Laughter Debate The Roasting of Adams Lynn Festa Cosmetic Differences The Changing Faces of England and France Blake Gerard All that the heart wishes Changing Views toward Sentimentality Reflected in Visualizations of Sterne's Maria 1773 1888 Jennifer Keith The Sins of Sensibility and the Challenge of Antislavery Poetry Mary Helen McMurrin Aphra Behn from Both Sides Translation in the Atlantic World Leslie Richardson Leaving her Father's House Locke Astell and Clarissa's Body Politic Sandra Sherman The Wealth of Nations in the 1790s Alan Sikes Snip Snip Here Snip Snip There and a Couple of Tra La Las The Rise and Fall of the Castrato Singer Rivka Swenson Representing Modernity in Jane Barker's Galesia Trilogy Jacobite Allegory and the Aesthetics of the Patch Work Subject **Women as Translators in Early Modern England** Deborah Uman, 2012-04-12 This book considers both the practice and representation of translation in works penned by early modern women including Margaret Tyler Mary Sidney Herbert Anne Lock Katherine Philips and Aphra Behn *The Manipulation of Literature (Routledge Revivals)* Theo Hermans, 2014-08-07 First published in 1985 the essays in this edited collection offer a representative sample of the descriptive and systematic approach to the study of literary translation The book is a reflection of the theoretical thinking and practical research carried out by an international group of scholars who share a common standpoint They argue the need for a rigorous scientific approach the phenomena of translation one of the most significant branches of Comparative Literature and regard it as essential to link the study of particular translated texts with a broader methodological position Considering both broadly theoretical topics and particular cases and traditions this volume will appeal to a wide range of students and scholars across disciplines **Western Translation Theory from Herodotus to Nietzsche** Douglas Robinson, 2014-04-08 Douglas Robinson offers the most comprehensive collection of translation theory readings available to date from the Histories of Herodotus in the mid fifth century before our era to the end of the nineteenth century The result is a startling panoply of thinking about translation across the centuries covering such topics as the best type of translator problems of translating sacred texts translation and language teaching translation as rhetoric translation and empire and translation and gender This pioneering anthology contains 124 texts by 90 authors 9 of them women Sixteen texts by 4 authors appear here for the first time in English translation 17 texts by 9 authors appear in completely new translations Every entry is provided with a bibliographical headnote and footnotes Intended for classroom use in History of Translation Theory History of Rhetoric or History of Western Thought courses this anthology will also prove useful to scholars of

translation and those interested in the intellectual history of the West *A Topical Bibliography of Translation and Interpretation* Sin-wai Chan,1995 *Routledge Encyclopedia of Translation Studies* Mona Baker,2003-09-02 The Routledge Encyclopedia of Translation Studies has been the standard reference in the field since it first appeared in 1998 The second extensively revised and extended edition brings this unique resource up to date and offers a thorough critical and authoritative account of one of the fastest growing disciplines in the humanities The Encyclopedia is divided into two parts and alphabetically ordered for ease of reference Part I General covers the conceptual framework and core concerns of the discipline Categories of entries include c **Appropriating the Middle Ages** T. A. Shippey,Martin Arnold,2001 From early modern times rulers and politicians have sought to ground their legitimacy in ancient tradition which they have often invented or rewritten for their own purposes This issue of *Studies in Medievalism* presents a number of such cases

Classical Spanish Drama in Restoration English (1660-1700) Jorge Braga Riera,2009 Printbegr nsninger Der kan printes 10 sider ad gangen og max 40 sider pr session Metatranslation Theo Hermans,2023-06-06 Metatranslation presents a selection of 14 key essays by leading theorist Theo Hermans covering a span of almost 40 years The essays trace Hermans work and demonstrate how translation studies has evolved from the 1980s into the much more diverse and self reflexive discipline it is today The book is divided into three main sections the first section explores the status and central concerns of translation studies including the growing interest in sociological ideological and ethical approaches to translation the second section investigates the key concepts of translation norms and of the translator s presence or positioning in translated texts the historical essays in the final section are concerned with both modern and early modern discourses on translation and with the use of translation as an instrument of war and propaganda This synthesis of the work of a highly influential pioneer in translation studies is essential reading for researchers scholars and advanced students of translation studies intercultural studies and comparative literature A Chronology of Translation in China and the West Sin-wai Chan,2009 This book is a study of the major events and publications in the world of translation in China and the West from its beginning in the legendary period to 2004 with special references to works published in Chinese and English It covers a total of 72 countries places and 1 000 works All the events and activities in the field have been grouped into 22 areas or categories for easy referencing This book is a valuable reference tool for all scholars working in the field of translation *English Prose of the Seventeenth Century 1590-1700* Roger Pooley,2014-06-06 This is the first book length history of the range of seventeenth century English prose writing Roger Pooley s study begins with narrative ranging from the fiction of Bunyan and Aphra Behn to the biographical and autobiographical work of Aubrey and Pepys Further sections consider religious prose from the hugely influential Authorised Version to Donne s sermons the political writing of figures as diverse as Milton Hobbes Locke and Marvell cornucopian texts and the writings of the new scientists from Bacon to Newton At a time when the boundaries of the canon are being increasingly revised this is not only a major survey of a series of great works of literature but also a

fascinating social history and a guide to understanding the literature of the period as a whole **The Uses of Script and Print, 1300-1700** Julia C. Crick, Alexandra Walsham, 2004 This volume investigates written communication before and after the introduction of printing in England **Biblical Scholarship in an Age of Controversy** Kirsten Macfarlane, 2021 Explores the role of the English theological scholar Hugh Broughton 1549 1612 in the development of biblical criticism in the early modern period and illustrates the contribution that laypeople and average believers made to religious and cultural change shifting critical attention away from the clerical and academic elites **The Diachrony of Written Language Contact** Nikolaos Lavidas, 2021-12-13 Nobody can deny that an account of grammatical change that takes written contact into consideration is a significant challenge for any theoretical perspective Written contact of earlier periods or from a diachronic perspective mainly refers to contact through translation The present book includes a diachronic dimension in the study of written language contact by examining aspects of the history of translation as related to grammatical changes in English and Greek in a contrastive way In this respect emphasis is placed on the analysis of diachronic retranslations the book examines translations from earlier periods of English and Greek in relation to various grammatical characteristics of these languages in different periods and in comparison to non translated texts *Traduction* Harald Kittel, Juliane House, Brigitte Schultze, 2004 This series of HANDBOOKS OF LINGUISTICS AND COMMUNICATION SCIENCE is designed to illuminate a field which not only includes general linguistics and the study of linguistics as applied to specific languages but also covers those more recent areas which have developed from the increasing body of research into the manifold forms of communicative action and interaction For classic linguistics there appears to be a need for a review of the state of the art which will provide a reference base for the rapid advances in research undertaken from a variety of theoretical standpoints while in the more recent branches of communication science the handbooks will give researchers both an overview and orientation **Labourers in the Vineyard of the Lord** , 2018-01-29 The centrality of the King James Bible to early modern culture has been widely recognized Yet for all the vast literature devoted to the masterpiece little attention has been paid either to the scholarly scaffolding of the translation or to the erudition of the translators The present volume seeks to redress this neglect by focusing attention on seven key translators as well as on their intellectual milieu Utilizing a wide range of hitherto unknown or overlooked sources the volume furnishes not only precious new information regarding the composition and early reception of the King James Bible but firmly situates the labours of the translators within the broad context of early modern biblical and oriental scholarship and polemics Contributors are James P Carley Mordechai Feingold Anthony Grafton Nicholas J S Hardy Alison Knight Jeffrey Alan Miller William Poole Thomas Roebuck and Joanna Weinberg Translating for King James John Bois, Ward Allen, 1993 Ward Allen s Translating for King James Notes Made by a Translator of King James s Bible is a fascinating look at how the best selling book of all time took shape and sound The recovery of thirty nine amazingly legible pages of John Bois s private notes reveals how a committee of scholarly translators urged and argued bickered and

shouted into being the most glorious document in the history of the English language Book jacket *A History of the Bible as Literature: From antiquity to 1700* David Norton, 1993 It is regarded as a truism that the King James Bible is one of the finest pieces of English prose Yet few people are aware that the King James Bible was generally scorned or ignored as English writing for a century and a half after its publication The reputation of this Bible is the central most fascinating element in a larger history that of literary ideas of the Bible as they have come into and developed in English culture and the first volume of David Norton's magisterial two volume work surveys and analyses a comprehensive range of these ideas from biblical times to the end of the seventeenth century providing a unique view of the Bible and translation **Scripture and Scholarship in Early Modern England** Ariel Hessayon, Nicholas Keene, 2006 This volume of essays is the first to embrace both orthodox and heterodox treatments of scripture in early modern England and in the process to question challenge and redefine what historians mean when they use these terms The collection dispels the myth that a critical engagement with sacred texts was the preserve of radical figures anti scripturists Quakers Deists and freethinkers While the work of these people was significant it formed only part of a far broader debate incorporating figures from across the theological spectrum engaging in a shared discourse
