Principles of Qabalah Amber Jayanti,1998-10 The Qabalah is a secret mystical tradition which is believed to hold the spiritual truths behind all religious traditions Passed down through the ages by Jewish Christian Muslim and Hermetic scholars it has been called the yoga of the west This introductory guide includes the history of the Qabalah its connections to magic astrology mythology and the Tarot and how it can help you lead a healthier more balanced life *The ButterFly Principle* Rampage Publishing Company,2004-10 Kolie E. Crutcher, III,2007-12-01 Probably the greatest tragedy of the human race is the failure of the overwhelming majority of people to realize their dreams Your dreams are realized as a result of creating power in your life But because most people have no clue about how to create power in their lives their dreams remain unrealized With that being said quite naturally the question becomes How do I create power in my life The answer to this question is found within the pages of this book Think about the following You cannot turn on the light in your home without electric power In the same fashion you cannot turn on the dreams in your life without personal power Electric Living The Powerful Life demonstrates the process of creating that personal power necessary to turn on the dreams in your life by relating it to the electric power necessary to turn on a common light bulb in your home That is my promise to you the reader This is NOT just another motivational book And here is why as you will learn motivation is only part of the formula for creating power If all you want is motivation there are countless other books that you can purchase Yes Electric Living The Powerful Life will motivate you but it does not stop there This book goes the extra mile and gives you a formula for creating power the personal power necessary to realize the dreams in your life **Chicken Soup for the Soul Unlocking the Secrets to Living Your Dreams** Jack Canfield,Mark Victor Hansen,2012-09-18 In this commemorative tenth anniversary edition readers will find fifty of the best loved stories from the series those that exemplify the spirit of Chicken Soup and its ability to illuminate the path we all walk on Included are poignant letters from readers whose lives were transformed by what they read and a special section written by coauthors master motivators Jack Canfield and Mark Victor Hansen on the special principles of living your dreams that everyone can follow **Dream It First** Jacqueline R. Robertson,2024-12-18 This inspiring book is not just another how to book that you will find inclusively in the psychology business finance or spiritual self help aisles of your local bookstore nor would it be placed solely on the Christian or spiritual shelf however the compelling messages in this fascinating book can easily be found in any of these venues The thought provoking messages throughout this groundbreaking book are centered around the mysterious theory of the economic 80 20 law a theory that 80 percent of today s populations isn t familiar with that allows you to get more in life using less physical effort or other resources In today s fast paced society with everyone seemingly going nowhere fast there is in fact an esoteric group of successful dreamers who understand the power of this law They use it to manifest their dreams and goals at accelerated rates solving their problems in life using their own resources You can now join them stepping away from the majority in the world today the 80
