**Funniest Time Travel: Prisoner Consort** Xin Yue, 2020-01-13 It can't be I'm actually so weak that I am struck by a flower pot while walking When I woke up I was a woman who was going to be tortured to death KAO let me wear it like this who's so bad I just died and I'm going to die again and it's the cruellest kind of death Let's see how I save myself The death row will still end with me being a female pig and the female lead Ruo Xi will also tame the male tyrant and teach the weak Handsome Man a lesson      **The Nail in the Skull and Other Victorian Urban Legends** Simon Young, 2022-06-27 Winner of the 2023 Brian McConnell Book Award from the International Society for Contemporary Legend Research In the last fifty years folklorists have amassed an extraordinary corpus of contemporary legends including the Choking Doberman the Eaten Ticket and the Vanishing Hitchhiker But what about the urban legends of the past These legends and tales have rarely been collected and when they occasionally appear they do so as ancestors or precursors of the urban legends of today rather than as stories in their own right In *The Nail in the Skull and Other Victorian Urban Legends* Simon Young fills this gap for British folklore and for the wider English speaking world of the 1800s Young introduces seventy Victorian urban legends ranging from Beetle Eyes to the Shoplifter's Dilemma and from Hands in the Muff to the Suicide Club While a handful of these stories are already known the vast majority have never been identified and they have certainly never received scholarly treatment Young begins the volume with a lengthy introduction assessing nineteenth century media emphasizing the importance of the written word to the perpetuation and preservation of these myths He draws on numerous nineteenth century books periodicals and ephemera including digitized newspaper archives particularly the British Newspaper Archive an exciting new hunting ground for folklorists *The Nail in the Skull and Other Victorian Urban Legends* will appeal to an academic audience as well as to anyone who is interested in urban legends      **Prisoner of Lies** Barry Werth, 2025-08-19 A riveting *The Economist* gripping *Kirkus Reviews* starred review true story of the longest held prisoner of war in American history John Downey Jr a CIA officer captured in China during the Korean War and imprisoned for twenty one years John Jack Downey Jr

was a new Yale graduate in the post World War II years who like other Yale grads was recruited by the CIA He joined the Agency and was sent to Japan in 1952 during the Korean War In a violation of protocol he took part in an air drop that failed and was captured over China His sources on the ground had been compromised and his identity was known Although he first tried to deny who he was he eventually admitted the truth But government policy forbade ever acknowledging the identity of spies no matter the consequences Washington invented a fictitious cover story and stood by it for four administrations As a result Downey was imprisoned during the decades that Red China as it was called was considered by the US to be a hostile nation until 1972 when the US finally recognized the mainland Chinese government He had spent twenty one years in captivity Downey would go on to become a lawyer and an esteemed judge in Connecticut his home state Prisoner of Lies is based in part on a prison memoir that Downey wrote several years after his release Barry Werth fluently weaves excerpts from the memoir with the Cold War events that determined Downey s fate Like a le Carr novel this is a thrilling richly informative Stephen Kinzer author of The Brothers story of one man whose life is at the mercy of larger forces outside of his control in Downey s case as a pawn of the Cold War and more specifically the Oval Office and the State Department His freedom came only when US foreign policy dramatically changed Above all Prisoner of Lies is an inspiring story of remarkable fortitude and resilience The Oxford Magazine ,1773 **Munsey's Magazine** ,1927 *Romances* ,1984

*Metaphors of Confinement* Monika Fludernik,2019 *Metaphors of Confinement The Prison in Fact Fiction and Fantasy* offers a historical survey of imaginings of the prison as expressed in carceral metaphors in a range of texts about imprisonment from Antiquity to the present as well as non penal situations described as confining or restrictive These imaginings coalesce into a carceral imaginary that determines the way we think about prisons just as social debates about punishment and criminals feed into the way carceral imaginary develops over time Examining not only English language prose fiction but also poetry and drama from the Middle Ages to postcolonial particularly African literature the book juxtaposes literary and non literary contexts and contrasts fictional and nonfictional representations of imprisonment and discussions about the prison as institution and experiential reality It comments on present day trends of punitivity and foregrounds the ethical dimensions of penal punishment The main argument concerns the continuity of carceral metaphors through the centuries despite historical developments that included major shifts in policy such as the invention of the penitentiary The study looks at selected carceral metaphors often from two complementary perspectives such as the home as prison or the prison as home or the factory as prison and the prison as factory The case studies present particularly relevant genres and texts that employ these metaphors often from a historical perspective that analyses development through different periods **Prince, Do You Still Need a Prisoner** Cha Cha,2019-11-27 She who had been transported to a different world had an extremely good life and directly became the queen of a nation with women s rights She had seventy two concubines in the Three Palaces and Six Palaces and was extremely elegant and unrestrained However she was only

handsome for two seconds In the blink of an eye she had become the ruler of a nation that had perished Allegedly the enemy kingdom's evildoer would kill without batting an eye Yet she was alive and kicking It was said that the prisoners of war would end up miserable but she was a beauty and her mouth was full of oil Won't you wipe the corners of your mouth The beauty had a helpless look on her face as she used a handkerchief to wipe away the bits of meat around the corner of her mouth She looked at the chicken leg in her hands and smiled even more charmingly It was said that even the ruler of a country of death found it difficult to avoid these types of situations taking poison taking medicine cutting off one's neck and killing him However why did that certain prince who was in charge of her life and death throw her onto the bed What else could he say to make her give birth to a monkey for him No A warrior could be killed but not humiliated However in the end Ao Jiao was still pushed to the side by his powerful attack She shouted out the slogan of Ya Lai Die every night and lived a happy life of hugging two people a year and hugging three people for three years *Women in the Ottoman Empire* Suraiya

Faroghi,2023-01-26 It is an often ignored but fundamental fact that in the Ottoman world as in most empires there were first class and second class subjects Among the townspeople peasants and nomads subject to the sultans who might be Muslims or non Muslims adult Muslim males were first class subjects and all others including Muslim boys and women were of the second class As for the female members of the elite while less privileged than the males in some respects their life chances might be better than those of ordinary women Even so they shared the risks of pregnancy childbirth and epidemic diseases with townswomen of the subject class and to a certain extent with village women as well Thus the study of Ottoman women is indispensable for understanding Ottoman society in general In this book the agency of women from a diverse range of class religious ethnic and geographic backgrounds is for the first time woven into the social and political history of the Ottoman Empire from the early modern period to its dissolution in 1918 Suraiya Faroghi charts the history of elite and non elite women in thematic chapters concentrating on urban women family life work slavery education and survival in times of war In the process the book introduces readers to the key sources primary and secondary necessary to reconstruct and understand the ways that females navigated social legal and economic constraints through the central prisms of family relations work and charity The first introductory social history of women in the Ottoman Empire and including a timeline and extended further reading section this book will be essential reading for scholars and students of Ottoman history and the history of women in the Middle East
