A Companion to the Biopic Deborah Cartmell, Ashley D. Polasek, 2020-01-15 The most comprehensive reference text of theoretical and historical discourse on the biopic film The biopic often viewed as the most reviled of all film genres traces its origins to the early silent era over a century ago Receiving little critical attention biopics are regularly dismissed as superficial formulaic and disrespectful of history Film critics literary scholars and historians tend to believe that biopics should be artistic yet accurate true to life representations of their subjects Moviegoing audiences however do not seem to hold similar views biopics continue to be popular commercially viable films Even the genre s most ardent detractors will admit that these films are often very watchable particularly due to the performance of the lead actor It is increasingly common for stars of biographical films to garner critical praise and awards driving a growing interest in scholarship in the genre A Companion to the Biopic is the first global and authoritative reference on the subject Offering theoretical historical thematic and performance based approaches this unique volume brings together the work of top scholars to discuss the coverage of the lives of authors politicians royalty criminals and pop stars through the biopic film Chapters explore evolving attitudes and divergent perspectives on the genre with topics such as the connections between biopics and literary melodramas the influence financial concerns have on aesthetic social or moral principles the merger of historical narratives with Hollywood biographies stereotypes and criticisms of the biopic genre and more This volume Provides a systematic in depth analysis of the biopic and considers how the choice of historical subject reflects contemporary issues Places emphasis on films that portray race and gender issues Explores the uneven boundaries of the genre by addressing what is and is not a biopic as well as the ways in which films simultaneously embrace and defy historical authenticity Examines the distinction

between reality and the real in biographical films Offers a chronological survey of biopics from the beginning of the 20th century A Companion to the Biopic is a valuable resource for researchers scholars and students of history film studies and English literature as well as those in disciplines that examine interpretations of historical figures **The Many Faces of Anne Boleyn** Helene Harrison, 2025-09-30 Explores Anne Boleyn's life and legacy through 500 years of images perceptions and historical interpretations Mistress Queen Reformer Traitor Icon This book is not like any others you might have read on Anne Boleyn It is not a biography of the life of Henry VIII's second wife and queen What this book does is to examine Anne Boleyn through images and perceptions of her Through documents letters images propaganda films novels and historical biographies this book explores Anne Boleyn through more than 500 years of history Explore how perceptions of her have changed and developed over time Whether she is seen as a mistress a queen a mother a reformer a traitor or a tragic heroine Anne Boleyn continues to inspire so much exploration and even new discoveries today See Anne through the eyes of people who knew her loved her hated her and studied her In the present day Anne Boleyn has quite a devoted scholarship honed through perceptions built over the last half a millennium Her life reign and tragic death at the hands of the man who tore England apart to be with her have made Anne Boleyn one of the most divisive and exciting figures in English history Film Architecture and the Transnational Imagination Tim Bergfelder, Sue Harris, Sarah Street, 2007 Summary Film Architecture and the Transnational Imagination presents for the first time a comparative study of European film set design in the late 1920s and 1930s based on a wealth of designers drawings film stills and archival documents the book offers a new insight into the development and significance of trans national artistic collaboration during this period European cinema from the late 1920s to the late 1930s is famous for its attention to detail in terms of set design and visual effect Focusing on developments in Britain France and Germany Film Architecture and the Transnational Imagination Set Design in 1930s European Cinema provides a comprehensive analysis of the practices styles and function of cinematic production design during this period and its influence on subsequent filmmaking patterns Publisher description *The Myth of Elizabeth* Susan Doran, Thomas S. Freeman, 2017-03-14 Elizabeth I is one of England's most admired and celebrated rulers She is also one of its most iconic her image is familiar from paintings film and television This wide ranging interdisciplinary collection of essays examines the origins and development of the image and myths that came to surround the Virgin Queen The essays question the prevailing assumptions about the mythic Elizabeth and challenge the view that she was unambiguously celebrated in the literature and portraiture of the early modern era They explain how the most familiar myths surrounding the queen developed from the concerns of her contemporaries and yet continue to reverberate today Published to mark the 400th anniversary of the queen's death this volume will appeal to all those with an interest in the historiography of Elizabeth's reign and Elizabethan and Jacobean poets dramatists and artists **The British monarchy on screen** Mandy Merck, 2016-02-28 This electronic version has been made available under a Creative Commons BY NC ND open access

license Moving images of the British monarchy are almost as old as the moving image itself dating back to an 1895 American drama The Execution of Mary Queen of Scots And from 1896 actual British monarchs appeared in the new animated photography led by Queen Victoria Half a century later the 1953 coronation of Elizabeth II was a milestone in the adoption of television watched by 20 million Britons and 100 million North Americans At the century s end Princess Diana s funeral was viewed by 2.5 billion worldwide In the first book length examination of film and television representations of this enduring institution distinguished scholars of media and political history analyze the screen representations of royalty from Henry VIII to William and Kate Seventeen essays by Ian Christie Elisabeth Bronfen Andrew Higson Karen Lury Glynn Davies Jane Landman and other international commentators examine the portrayal of royalty in the actuality picture the early extended feature amateur cinema the movie melodrama the Commonwealth documentary New Queer Cinema TV current affairs the big screen ceremonial and the post historical boxed set A long overdue contribution to film and television studies this book will be essential reading for scholars and students of British media and political history
