Jamey Popilowski dreams of becoming a rock star and Lilah Cellini dreams of Jamey Together the young couple leaves their childhood home of Terrabain Street and hit the open asphalt kicking up a musical storm along the way While Jamey embraces the musician s lifestyle along with its excesses Lilah is confronted by choices that will ultimately take her down a different path and lead her to her own voice *A Raw Mix of Carelessness and Longing* is a mesmerizing and lyrical tale that follows the tangled lives of friends and lovers as it articulates the fine balance between the passion for making and performing music and the temptations that hide in the shadows *Raw: Architectural Engagements with Nature* Solveig Bøe, Hege Charlotte Faber, 2016-04-08 Through cross disciplinary explorations of and engagements with nature as a forming part of architecture this volume sheds light on the concepts of both nature and architecture Nature is examined in a raw intermediary state where it is noticeable as nature despite but at the same time through man s effort at creating form This is done by approaching nature from the perspective of architecture understood not only as concrete buildings but as a fundamental human way both of being in and relating to the world Man finds and forms places where life may take place Consequently architecture may be understood as ranging from the simple mark on the ground and primitive enclosure to the contemporary megalopolis Nature inheres in many aesthetic forms of expression In architecture however nature emerges with a particular power and clarity which makes architecture a raw kind of art Even though other forms of art as well as aesthetic phenomena outside the arts are addressed the analogy to architecture will be evident and important Thus by using the concept of raw as a focal point this book provides new approaches to architecture in a broad sense as well as other aesthetic and artistic practices and will be of interest to readers from different fields of the arts and humanities spanning from philosophy and theology to history of art architecture and music *The Restaurant* John R.
