by his wartime experiences And Margot well penniless immigrants certainly aren't her style Instead ignoring the danger signs she has her sights set on the city's most eligible bachelor But it's a tragedy neither woman sees coming which is about to change their lives forever Fast forward over two decades later and a top rating media program has begun investigating a long ago murder on the sleepily opulent Northern Beaches The locals are abuzz with speculation Some have reason to feel nervous including the police Others who've stayed silent for years are at last tempted to tell the truth A truth Margot and Rose could never have imagined From Sydney's deceptive glitter to the grit of Warsaw under siege *Dark Side of the Harbour* is a masterpiece of suspense a story of courage resilience and deadly secrets where only the strongest bonds survive
