Schools That Learn (updated and revised second edition) Peter Senge, 2012-07-31 A NEW EDITION OF THE GROUNDBREAKING BOOK A new edition

revised and updated with over 100 pages of new material of the groundbreaking book that brings the principles of organizational learning to today's schools and classrooms. A unique collaboration between the celebrated management thinker and Fifth Discipline author Peter Senge and a team of renowned educators and organizational change leaders, the revised edition of *Schools That Learn* addresses the new and unique pressures on our educational system that have emerged since the book's initial publication in 2000. In a fast-changing world where school populations are increasingly diverse, children live in ever more complex social and media environments, standardized tests are applied as overly simplistic quick fixes, and advances in science and technology continue to accelerate the pressures on our educational system, these problems are inescapable. *Schools That Learn* offers a much-needed way to open dialogue about these problems and provides pragmatic opportunities to transform school systems into learning organizations.
