**Reform in China** B.L. Reynolds,2016-07-08 This work includes every Supreme Court case relevant to gender and sexual equality from 1787 to the end of the 1999 2000 term It is a primary document reference book organized in eight chapters including civil and social rights and duties morality and sexual ethics and education policies *The Chinese Communist Party During the Cultural Revolution* P. Lubell,2001-12-17 In 1936 a group of Chinese communists were released from jail after a humiliating renunciation of communism The Chinese Communist Party then secretly employed them to galvanise support in nationalist areas of the country It later condemned the members of this group as renegades before finally rehabilitating them in 1978 Pamela Lubell uncovers the fascinating history of these communists known as the Sixty one and in doing so produces a revealing account of the tensions within the Chinese Communist Party **Humour in Chinese Life and Letters** Jessica Milner Davis,Jocelyn Chey,2011-12-01 The present study emphasizes Chapter Six of Huai nan Tzu in expounding the theory of kan ying STIMULUS RESPONSE RESONANCE which postulates that all things in the universe are interrelated and influence each other according to pre set patterns The Black Pacific Narrative Etsuko Taketani,2014-11-04 The Black Pacific Narrative Geographic Imaginings of Race and Empire between the World Wars chronicles the profound shift in geographic imaginings that occurred in African American culture as the United States evolved into a bioceanic global power The author examines the narrative of the black Pacific \_the literary and cultural

production of African American narratives in the face of America's efforts to internationalize the Pacific and to institute a Pacific Community reflecting a vision of a hemispheric regional order initiated and led by the United States. The black Pacific was imagined in counterpoint to this regional order in the making which would ultimately be challenged by the Pacific War. The principal subjects of study include such literary and cultural figures as James Weldon Johnson, George S. Schuyler, artists of the black Federal Theatre Project, Langston Hughes, W. E. B. Du Bois, and Walter White, all of whom afford significant points of entry to a critical understanding of the stakes of the black Pacific narrative. Adopting an approach that mixes the archival and the interpretive, the author seeks to recover the black Pacific produced by African American narratives that were significant enough in their time to warrant surveillance and suspicion and hence are significant enough in our time to warrant scholarly attention and reappraisal. A compelling study that will appeal to a broad international audience of students and scholars of American studies, African American studies, American literature, and imperialism and colonialism.

**Season of High Adventure** S. Bernard Thomas, 2024-06-07 In 1928 Edgar Snow (1905-1972) set out to see the world hoping to make his mark as a travel adventure writer. Shanghai was to be a mere stopover, but Snow stayed on in China for thirteen more years. The idealistic young Midwesterner became a journalist and ultimately developed close friendships with China's emerging revolutionary leaders. His 1938 classic *Red Star over China* strongly influenced American views of the Chinese Communists and is still in print nearly sixty years later. This biography breaks fresh ground with its unique and extensive use of Snow's diaries of over forty years. These writings convey Snow's private hopes and fears, his moods and motivations. Thomas skillfully links them with Snow's public writings and deeds. By recreating the milieu in which Snow worked in China, Thomas provides a clearer understanding of both the man and his times. Snow came to China devoid of any political agenda or sinological background. He returned home a politically astute China hand and famed journalist-author. His writing had taken on the nature of political action which resulted in a troubled soul searching that Snow usually confined to his diary. Thomas's portrait of Ed Snow reveals a man caught up in an important historical moment, a man who profoundly influenced and was influenced by the events that swirled around him. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact.
