New Age Journal, 1995 **The Publishers Weekly**, 1995 **Insider's Guide to Book Editors, Publishers, and Literary Agents, 1996-1997** Jeff Herman, 1995-10-25 No other book gives aspiring authors the inside scoop on the names and specialties of acquisitions editors This vital information makes all the difference when submitting a book proposal or manuscript by keeping writers of all genres on top of the rapidly changing world of publishing Who's moved where who's new to the scene who's gone for good it's all here in one big volume Writer's Guide to Book Editors, Publishers, and Literary Agents, 1997-1998 Jeff Herman, 1996-09-25 This book contains the names and addresses of acquisitions editors at top publishing houses as well as their area of expertise and information on top literary agents First time and experienced authors will find the information they need to get their big break in the writing business instead of having their manuscripts end up in the slush pile

Therapy Tech Emma Bedor Hiland, 2021-10-05 A pointed look at the state of tech based mental healthcare and what we must do to change it Proponents of technology trumpet it as the solution to the massive increase in the mental distress that confronts our nation They herald the arrival of algorithms intelligent chatbots smartphone applications telemental healthcare services and more but are these technological fixes really as good as they seem In

Therapy Tech Emma Bedor Hiland presents the first comprehensive study of how technology has transformed mental healthcare showing that this revolution can't deliver what it promises. Far from providing a solution, technological mental healthcare perpetuates preexisting disparities while relying on the same failed focus on personal responsibility that has let us down before. Through vivid in-depth case studies, Therapy Tech reveals these problems covering issues including psychosurveillance on websites like Facebook and 7 Cups of Tea, shortcomings of popular AI doctors on demand like Woebot, Wysa, and Joy, and even how therapists are being conscripted into the gig economy. Featuring a vital coda that brings Therapy Tech up to date for the COVID era, this book is the first to give readers a large-scale analysis of mental health technologies and the cultural changes they have enabled. Both a sobering dissection of the current state of mental health and a necessary warning of where things are headed, Therapy Tech makes an important assertion about how to help those in need of mental health services today.
