Se você deseja aprimorar suas habilidades de pregação aprofundar sua compreensão das Escrituras ou simplesmente conectar sua prática ministerial, este livro é um convite para proclamar o evangelho com autoridade e paixão sempre apontando para o centro de toda a Bíblia: Jesus Cristo. Prepare-se para ser desafiado, inspirado e equipado a pregar de forma fiel e transformadora.

How Effective Sermons End Ben Awbrey, 2022-07-21. Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions. Moreover, a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching. This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons. Whether textual, topical or expository in preaching methodology, the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons. Much is not done and much more is not understood to conclude sermons with clarity, strength and persuasiveness. *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon: the sermon conclusion. This book fills the existing void in homiletical pedagogy about concluding sermons, a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God. The pathway of better preaching is knowledge and skill to effectively conclude sermons, and this book floods that pathway with light.

The Rhetoric of the Pulpit, Second Edition Jon Meyer Ericson, 2020-03-26. The Rhetoric of the Pulpit treats the sermon as the single most important factor in evangelism for a parish and also the most important factor in the spiritual growth of both the congregation and the pastor. With emphasis on the Word as the foundation, the author adds music and liturgy to the sermon's structure to build a unified worship experience. Recognizing that the Word is truth but that the truth needs to be made to seem true, the book offers sound practical advice on sermon preparation based on both classical and contemporary communication theory. Sermon preparation is viewed as a process that begins with downloading the Word followed by productive meditation. The process then moves through the rhetorical steps from a search for content to the sermon's delivery. Throughout the book, the rhetorical principles are treated as a subordinate element to the Word, a means of giving effectiveness to the truth. The Rhetoric of the Pulpit aims to reflect the spirit of Aristotle, St. Augustine, St. Paul and Kenneth Burke.
