Read It To Me Now Learning At Home And At School:

Read It To Me Now! Minns, Hilary, 1997-05-01 Minns charts the emergent literacy learning of 5 four year old children from different cultural backgrounds in their crucial move from home to school and shows how children's early understanding of reading is learnt within their family

Read It To Me Now! Hilary Minns, 1997-05-16 What do young children from different cultural backgrounds learn about reading and writing before they come to school How can schools work with parents to incorporate children's pre school literacy learning into policies for the development of literacy What strategies can early years teachers use to support young children's understanding of the reading process Read It To Me Now charts the emergent literacy learning of five four year old children from different cultural backgrounds in their crucial move from home to school and demonstrates how children's early understanding of reading and writing is learnt socially and culturally within their family and community Drawing the children's stories together Hilary Minns discusses the role of the school in recognizing and developing children's literacy learning including that of emergent bilingual learners and in developing genuine home school links with families This edition of Read It To Me Now makes reference to current texts that take knowledge and ideas of children's literacy learning further and includes discussion of the literacy requirements of the National Curriculum

Literacy and Popular Culture Jackie Marsh, Elaine Millard, 2000 Most children engage with a range of popular cultural forms outside of school Their experiences with film television computer games and other cultural texts are very motivating but often find no place within the official curriculum where children are usually restricted to conventional forms of literacy This book demonstrates how to use children's interests in popular culture to develop literacy in the primary classroom The authors provide a theoretical basis for such work through an exploration of related theory and research drawing from the fields of education sociology and cultural studies Teachers are often concerned about issues of sexism racism violence and commercialism within the disco

Raising Boys' Achievement In Primary Schools Warrington, Molly, Younger, Mike, 2006-06-01 Within the context of empirical research undertaken by the authors during the course of a 4 year research and intervention project on Raising Boys' Achievement the book will focus on approaches that are successful in raising achievement for boys and the reasons for that success It will explore the whole aspect of boys' achievement and look at how primary schools are addressing the issue and the processes involved in schools working collaboratively and voluntarily to share good practice Case study material will be used to illustrate the different contexts in which the strategies have been studied and of great importance is the incorporation of boys and girls' own perspectives on their educational experiences

The Literate Classroom Prue Goodwin, 2017-08-01 Now in its fourth edition The Literate Classroom combines a range of refreshing and challenging viewpoints from experienced classroom practitioners in order to offer practical and effective approaches to teaching reading and writing to primary students Over the last few years how teachers talk with children about their learning has been missing from much of the documentation going into school but with essential

information and advice this book highlights the importance of speaking and listening in literacy learning and recognises the powerful links between reading writing and dialogic talk This fully updated edition includes shared and guided reading and writing comprehension through response to children s literature guidance on literacy teaching with ELL pupils new chapters on digital literacy drama for literacy talk for spelling and poetry The Literate Classroom describes how the theory behind key areas of literacy teaching can be transformed into realistic learning experiences within the classroom An accessible and informative collection this book is a must have for any teachers of literacy in the primary sector

Teaching English, Language and Literacy Dominic Wyse,Russell Jones,Helen Bradford,2008 This is a text for students on initial teacher training courses which covers the theory and practice of teaching English language and literacy The book is closely related to the new National Literacy Strategy

Becoming a Teacher of Reading Margaret Perkins,2015-03-10 Learning to read is one of the most important life skills teachers can help a child develop Teaching reading is a vital part of a career in the classroom and engaging with the range of different learning styles children have is a real challenge Trainee teachers need to learn how to address this variety of learning needs and also meet the wider demands of the curriculum Margaret Perkins helps students meet these challenges to become a confident reflective teacher of reading by providing An in depth explanation of phonics teaching alongside other teaching approaches empowering trainees to choose the right approach for each individual child Key research findings so students can apply the latest thinking to their teaching practice School based activities and independent learning tasks to help apply theory to practice and develop teaching skills through self reflection Classroom scenarios of teacher child interactions that demonstrate how children learn and respond to different teaching strategies

Improving Literacy at KS2 and KS3 Andrew Goodwyn,2002-09-17 This book will to help student and practicing teachers to understand the issues surrounding literacy the place of transition in pupils lives and to feel confident in handling the National Literacy Strategy

Researching and Teaching Reading Gabrielle Cliff Hodges,2015-08-20 Many agree that engaging in research is what makes a teacher s professional development sustainable and Researching and Teaching Reading studies the ways in which research and teaching are entwined both within and beyond the classroom Gabrielle Cliff Hodges encourages readers to deepen their understanding of reading through high quality teaching and research activities designed to engage young learners and generate rich research data in the expectation that teachers will wish to adapt or develop them further within their own contexts The author explores how teachers research and critical reading can further develop their understanding of their students reading practices and argues that innovative approaches to teaching integrated with research enable English teachers to re construct ideas and change how reading is taught Key issues considered in this book include Studying reading in terms of extending young people s ability to interpret and enjoy texts The idea of reading as a social practice The concept of culture in relation to reading Why historical and spatial theoretical perspectives matter when researching and teaching reading This book is a valuable

resource for any student teachers or practising English teachers wishing to learn more about the connection between researching and teaching reading how to combine them in the classroom and the positive effect bringing the two together can have on their own professional development **Portraits of Everyday Literacy for Social Justice** Susan

Jones,2018-05-07 Based on an ethnographic study involving three families who live on a Midlands council housing estate this book presents portraits of everyday lives and the literacy practices that are part of them as a way to explore the complex relationship between literacy and social justice Each portrait focuses on a different aspect of literacy in everyday life drawing on perspectives offered by the long and diverse tradition of literacy studies each is followed by discussion of a different way of looking at literacy and what this means for social justice The lens of literacy allows us to see the challenges faced by many families and communities as a result of social policy and how a narrow view of literacy is often implicated within these challenges It also illustrates the ways in which literacy practices are powerful resources in the creative and collaborative navigation of everyday lives Arguing for the importance of looking carefully at everyday literacy in order to understand the intertwining factors that threaten justice this book positions literary research and education as central to the struggle for wider social change It will be of interest and value to researchers educators and students of literacy for social justice
