developing reading confidence and stamina and are eager to start reading longer stories with a wider vocabulary

*Learning to Read in a New Language* Eve Gregory, 2008-03-03 This book is a helpful edition to a field where there is a limited amount of good literature to support teachers dealing with second language acquisition in the classroom ESCalate Gregory's book is an important and timely contribution to the literature on literacy biliteracy second language learning and early childhood education synthesizing cutting edge research perspectives and teaching approaches in a clear and accessible way Overall it is a terrific resource Dinah Volk Across the world an increasing number of young children are learning to read in languages different from their mother tongue and there is a clear need for a book which addresses the ways in which these children should be taught Eve Gregory's book is unique in doing so Building upon the ideas proposed in *Making Sense of a New World* this second edition widens its scope arguing for the limitations of policies designed for monolingual minds in favour of methodologies which put plurilingualism at the centre of literacy tuition This book offers a practical reading programme an Inside Out starting from experience and Outside In starting from literature approach to teaching which can be used with individuals small groups and whole classes It uses current sociocultural theory while drawing on examples of children from America Australia Britain China France Singapore South Africa and Thailand who are engaged in learning to read nursery rhymes and songs storybooks letters the Bible and the Qur'an as well as school texts in languages they do not speak fluently Gregory argues that in order for literacy tuition to be successful reading must make sense children must feel part of a community of readers There is no common method which they use to learn but rather a shared aim to which they aspire making sense of a new world through new words Eve Gregory is Professor of Language and Culture in Education at Goldsmiths University of London
