The One-on-One Reading and Writing Conference Jennifer Berne,Sophie C. Degener,2015 Personal interactions are the single most effective way for teachers to understand and

evaluate their student as learners Responding specifically to new Common Core State Standards in reading and writing this book introduces pre and inservice teachers to a method of one on one interaction the authors refer to as the stretch conference This book provides detailed practical advice on the logistics of implementing these conferences during the busy school day including tips on how and when to schedule conferences and how to successfully manage the classroom during conference time The authors argue that rather than using valuable conference time for word level concerns and editing teachers should focus on more ambitious goals that will deepen or stretch students skills in comprehension and writing This resource suggests where conferences fit in with other important pieces of literacy instruction introduces a variety of high quality cues to use during conferences and shows how conferences can function as formative assessment for reading and writing skills Book Features Written by two veteran teacher educators who conduct frequent workshops and professional development with teachers Helps teachers adjust their instruction for the demands of Common Core Standards specifically Reading Anchor Standards 1 and 10 and Writing Standards 1 5 and 10 Shows teachers how to schedule individual conferences within typical classroom time constraints Includes many detailed examples of effective conferences taken from real classrooms A roadmap for engaging students in conversations that will change their understanding Frankly it s an amazing resource and one that has changed my thinking about classroom instructional time From the Foreword by Douglas Fisher San Diego State University A critical opportunity to reflect on our practice examining whether the content of our conferences is aligned with the rigorous expectations of the Common Core Sunday Cummins literacy consultant and author

The Howard Street Tutoring Manual Darrell Morris, 2017-02-13 This indispensable manual provides a comprehensive guide to one on one instruction for struggling readers in grades 1 to 3 The book addresses the hows whats and whys of setting up a volunteer or professional tutoring program supplies assessment guidelines and reproducible forms and presents in depth case studies that demonstrate the nuts and bolts of tutoring three children at different stages of early literacy over an entire school year Case study chapters offer clear descriptions of lesson plans instructional activities and informal assessment procedures illustrated with realistic examples of student work **Teaching Children to Read: Reports of the subgroups** National Reading Panel (U.S.), 2000 **Resources in Education** , 2001-10 *Advances in Research on Reading Recovery* Jerome V. D'Agostino, 2018-12-07 There is no shortage of innovative educational programs the challenge is learning how to scale and sustain those with strong evidence of effectiveness This book focuses on Reading Recovery one of the few educational innovations that has successfully expanded and established itself in several educational systems in the world Developed by Marie Clay in New Zealand during the mid 1980s Reading Recovery is an intensive intervention for young students who are struggling to learn how to read and has expanded to several countries across the globe over the last 30 years Providing evidence of the intervention s effectiveness both in the short and long term this volume presents in depth studies to elucidate why the program is effective discusses the trials and tribulations in scaling and sustaining the program

and approaches scaling and maintaining from theoretical and practical perspectives The contributors to this book explain how Reading Recovery has established itself because it has maintained a strong focus on evidence developed a deep sense of community among its practitioners and was at the forefront in enhancing professional development of the teachers who delivered the intervention Understanding the implementation experiences of the intervention is beneficial for any innovation developer who wishes to grow and sustain an intervention The chapters in this book were originally published as articles in the Journal of Education for Students Placed At Risk
