Reader Teller And Teacher The Narrator Of Robert Henryson's Moral Fables Scottish Studies:

Reader, Teller, and Teacher Rosemary Greentree, 1993 Henryson's Narrator acts as reader teller and teacher of his Moral Fables as he guides his audience with direct addresses and manipulation of responses The development of character and motif his use of language and mood and the relation of moralities to tales are examined in the study of the Narrator's techniques The themes of the work are introduced in the early tales and summarized in the last fable The repetition and variation of themes support acceptance of the order used in the Bassandyne Print a source which presents the thirteen fables as a formed complete and balanced work *The Idea of the Vernacular* Jocelyn Wogan-Browne, Ian Richard Johnson, 1999 This pioneering anthology of Middle English prologues and other excerpts from texts written between 1280 and 1520 is one of the largest collections of vernacular literary theory from the Middle Ages yet published and the first to focus attention on English literary theory before the sixteenth century It edits introduces and glosses some sixty excerpts all of which reflect on the problems and opportunities associated with writing in the mother tongue during a period of revolutionary change for the English language The excerpts fall into three groups illustrating the strategies used by medieval writers to establish their cultural authority the ways they constructed audiences and readerships and the models they offered for the process of reading Taken together the excerpts show how vernacular texts reflected and contributed to the formation of class gender professional and national identity They open windows onto late medieval debates on women's and popular literacy on the use of the vernacular for religious instruction or Bible translation on the complex metaphorical associations contained within the idea of the vernacular and on the cultural and political role of the courtly writing associated with Chaucer and his successors Besides the excerpts the book contains five essays that propose new definitions of medieval literary theory discuss the politics of Middle English writing the relation of medieval book production to notions of authorship and the status of the prologue as a genre and compare the role of the medieval vernacular to that of postcolonial literatures The book includes a substantial glossary that constitutes the first mapping of the language and terms of Middle English literary theory *The Idea of the Vernacular* will be an invaluable asset not only to Middle English survey courses but to courses in English literary and cultural history and courses on the history of literary theory *Synopsis: An Annual Index of Greek Studies, 1993*, 3 Andrew D. Dimarogonas, 1998-10-28 Presents 12 860 entries listing scholarly publications on Greek studies Research and review journals books and monographs are indexed in the areas of classical Hellenistic Biblical Byzantine Medieval and modern Greek studies but no annotations are included After the general listings entries are also indexed by journal text name geography and subject The CD ROM contains an electronic version of the book Annotation copyrighted by Book News Inc Portland OR *The Complete Works* Robert Henryson, 2011-01-01 In this new edition of the poems of Robert Henryson David Parkinson offers editions of Henryson's Fables The Testament of Cresseid Orpheus and Eurydice and twelve shorter poems grouped according to the strength of their attribution to Henryson as well as the glosses and explanatory and textual

notes characteristic of Middle English Texts Series volumes Henryson was a prominent Scottish poet writing in the late fifteenth and early sixteenth century This edition serves as an excellent addition to the Scots language and late medieval Scottish poetry

Scottish Literature in English and Scots Douglas Gifford,Sarah Dunnigan,Alan MacGillivray,Beth Dickson,2002 This substantial new volume is a stimulating yet in depth introduction to Scottish literature in English and Scots From medieval to modern the entire range of literature is introduced examined and explored Aimed primarily at those with an interest in

Scottish literature this guide also responds to the need for students and teachers to have detailed discussions of individual authors and texts The volume looks at Scottish literature in six period sections Early Scottish Literature Eighteenth Century The Age of Scott Victorian and Edwardian The Twentieth Century Scottish Literary Renaissance and Scottish Literature since 1945 Each section begins with an overview of the period followed by several chapters examining exemplary authors and texts Each section finishes with an extensive discussion including suggestions as to how to further explore the rich and often neglected hinterlands of Scottish writing Extensive reading lists identify primary texts of the period as well as details of a wide range of additional authors Opening up neglected areas of study as well as responding to the burgeoning interest in novelists modern poets and dramatists this book serves as an invaluable guide to Scottish Literature

Older Scots Literature Sally Mapstone, 2005 Written by leading scholars in the subject this three part collection features essays on medieval and Renaissance Scotland's principal writers including Robert Henryson William Dunbar and Alexander Montgomerie It also provides discussions of a wide range of types of writing in poetry and prose from the ballad and the personal letter to Scotland's extraordinary tradition of eldritch supernatural or spooky verse Women's writing and gender issues are examined in several essays dealing with the sixteenth century These contributions are supported by important contextualising essays on manuscript and print culture and by linguistic stylistic and metrical analyses of key texts from these periods such as Hary's Wallace and the Gude and Godlie Ballatis This volume constitutes a rich combination of original research and scholarly reassessment into the literature of the Scottish nation's most creative era Contributors include Priscilla Bawcutt Sarah M Dunnigan William Gillies R J Lyall and A A MacDonald Each part is introduced by a substantial essay by the editor

Seeking Mr. Hyde Tom Hubbard, 1995 From Edinburgh to Samoa Robert Louis Stevenson was a Scot who became a world citizen as a writer he has a large following in many countries The interlinked studies in this volume deploy his work as the base for an exploration of cultural crosscurrents in the late 19th century and beyond suggesting relationships with such European figures as Dostoyevsky Rilke and Jung Particular attention is paid to Stevenson's bearings on the Symbolist movement as evident in his association with the French writer Marcel Schwob Concentrating initially on Dr Jekyll and Mr Hyde and on puritan repression versus unbridled energy the book points to the deeper universal significance of the Hyde figure and its related archetypes in other works by Stevenson and throughout Scottish English European American and Third World literatures and cultures With chapters entitled Hellish Energy Masks and Mirrors The Damnation of Faust and Underground and Labyrinth this book is for those who are fascinated by a writer at once approachable and enigmatic
