Bringing the Catholic Church Into the Twenty-First Century Frank Baker, Professor and Director of Health Psychology Program Division of Occupational Health Frank Baker, 2013-03 With 95 percent of Catholic school students abandoning the regular practice of their faith before completing their educations there is an urgent need for reform in regard to how the Faith is taught While the Church maintains there is a God the materialistic world says that both God and religion are false In time science may indeed prove both to be false if steps are not taken to provide evidence that God exists Author Frank Baker believes that Faith teachings should be made to conform to the same standards as academic teachings meaning that what's being taught should be backed up with actual evidence Bringing the Catholic Church Into the Twenty First Century seeks to present irrefutable evidence that among other things there is a God and the soul does indeed survive after death The book also explores the creation story as told by Genesis and contrasts it with the teachings of modern science If those responsible for teaching the Faith were to read this book and put its principals into practice the Catholic Church would stand a better chance of adapting to the rigors of an increasingly scrutinous world and finding a means to thrive in the twenty first century Born and raised in Melbourne Australia author Frank Baker now lives in Bundaberg in Queensland After 34 years working for the Gas Fuel Corporation Frank is now retired and spends his time writing playing croquet ballroom dancing and playing cards He is also currently the treasurer of the Moore Park Beach Arts Festival This is his first book Publisher's website <http://sbpra.com/FrankBaker> TruthQuest: TQ120c Henry T. Authentic Church Vaughan Roberts, 2012-06-11 Vaughan Roberts finds direction for today's church in Paul's prophetic letter of 1 Corinthians Ancient Corinth was a similarly confusing cultural landscape to our own but in Paul's vision Roberts finds a path of wisdom that will help you choose the true spirituality of the gospel of Christ and become the authentic church God intends for you to be Each chapter includes a Bible study *1 Corinthians 1-4* Oh-Young Kwon, 2010-08-01 This book investigates 1 Corinthians 1-4 from a rhetorical and social perspective and explores that a divisive culture of rhetorical and paternal elitism lies behind the schisms and problems identified in the letter This culture appears to have been shaped to some extent by the legacy of Cicero Paul's references to boasting and imitation indicate both his subversive use and his critique of this Greco-Roman wisdom In the final chapter this analysis of wisdom traditions and their social consequences among first-century Corinthians leads to a critical reflection on similar dynamics among Korean Christians in twenty-first-century Korean Confucian culture In particular Korean Protestants are encouraged to take a more positive stance towards Confucian wisdom traditions as exemplified by T'oe-gye's legacy and some insights are suggested into the ethics of imperial worship ancestral veneration and ethnic exclusivity **A Pentecostal Hermeneutic for the Twenty-First Century**

Kenneth Archer, 2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so-called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re-appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three-way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture **Retrieving Charisms for the Twenty-first Century** Doris Donnelly, 1999 Retrieving Charisms For The
