Sierra Club The Everglades:

Sierra Club Patricia Caulfield, 1982-05-01 *Homestead Air Force Base (AFB), Disposal and Reuse*, 1994 *National Parks* Alfred Runte, 1997-01-01 This third edition includes a new essay on recent environmental issues and concerns especially as they center on Yellowstone National Park **Raising Cane in the 'Glades** Gail M. Hollander, 2009-11-15 Over the last century the Everglades underwent a metaphorical and ecological transition from impenetrable swamp to endangered wetland At the heart of this transformation lies the Florida sugar industry which by the 1990s was at the center of the political storm over the multi billion dollar ecological restoration of the Everglades Raising Cane in the Glades is the first study to situate the environmental transformation of the Everglades within the economic and historical geography of global sugar production and trade Using among other sources interviews government and corporate documents and recently declassified U S State Department memoranda Gail M Hollander demonstrates that the development of Florida s sugar region was the outcome of pitched battles reaching the highest political offices in the U S and in countries around the world especially Cuba which emerges in her narrative as a model a competitor and the regional other to Florida s self Spanning the period from the age of empire to the era of globalization the book shows how the sugar question a label nineteenth century economists coined for intense international debates on sugar production and trade emerges repeatedly in new guises Hollander uses the sugar question as a thread to stitch together past and present local and global in explaining Everglades transformation **Final Supplemental Environmental Impact Statement: Comments on the draft SEIS** United States. Department of the Air Force, 2000 *Comprehensive Everglades Restoration Plan, Picayune Strand Restoration Project (formerly Southern Golden Gate Estates Ecosystem Restoration), Collier County*, 2004 *Federal Sugar Program* United States.
