Such a drastic change naturally requires making many, sometimes taxing, adjustments. In this book, two experts in stroke recovery help couples deal with the impact of stroke on their lives and their relationship. Drs. The book invites you into the lives of real couples who are themselves coping with these challenges. Their experiences model how you can improve essential aspects of your relationship, including communication, roles, and responsibilities, and sexuality. A list of practical tips summarizes each chapter, providing a handy reference guide to meeting each day's challenges.
