"I Am Not Master of Events" Larry Neal, 2012-01-24 Two of the greatest financial fiascos of all time took place at the same time and were instigated by two acquaintances the Mississippi Bubble on which John Law at first made a vast fortune and gained sway over French finances and the South Sea Bubble launched by Law and Thomas Pitt Jr Lord Londonderry his main partner in England This book tells the story of these two financial schemes from the letters and accounts of two leading personalities Larry Neal a distinguished economic historian highlights the rationality of each person and also finds that the primitive exchanges of the day though informal and completely unregulated actually performed reasonably well **Sermons**

Charles Hays, 2012-07-27 A lot of what you read about soldiers and war is either untrue derogatory exaggerated or boring take your pick This book is different from typical military fiction because of the irreverent slant that I have used as your author I feature bad commissioned officers from West Point and good noncommissioned enlisted men and the struggles that they face whenever they are trying to communicate My primary protagonist is Sergeant James Homer Hounshell of Jackson Kentucky my maternal uncle My secondary protagonist is Larry Wetzlen PA who was injured by a friendly fire and a victim of battle fatigue Jimmy becomes his nurse for the duration and the storyline is looking after Larry The antagonist is Second Lieutenant Oscar Karo from Georgia a man who goes out of his way to make pain for James Homer Their feud started during basic training and continued until 1945 Ill take you through the major campaigns of WWII his mysterious death just two days before the final conflict at Magdeburg his burial at Margraten and his love affairs How the mystery of his murder is solved is a very unusual and interesting part I hope that you enjoy my book *Frank Warrington* Miriam Coles Harris, 1863
