Terpstra,2018-03-23 **Insufficient Faith** introduces James Bakker a man who makes a profession of faith to be a Christian early in life For years he lives by this faith but discovers the distinction between holding to a faith that does not bring true salvation and receiving Jesus Christ in a way that radically changes his life The author John Terpstra weaves into this story the insights he has gained from nearly four decades serving as the pastor of the same church and seeing firsthand how people come to discover the differences between insufficient and sufficient faith **Insufficient Faith** challenges people who have an insufficient faith to question and examine themselves to see if they be in the faith as Paul admonishes in 2 Corinthians 13 5 The novel also causes believers to present the gospel the way they must present it to follow the charge given in Colossians 4 34 Jesus did not commit Himself to the multitudes who believed Him to be the Christ because He knew they were unbelieving believers They remained spiritually dead **Insufficient Faith** tells the story of a man who had an insufficient faith and who for years was an unbelieving believer Could it not be true that Bible believing local churches have such people as members Could it not be true that others who were attached to local churches but have left the church did so because they had an insufficient faith The answers to these questions will emerge from the pages of **Insufficient Faith**

Dan Dietz, 2015-09-03 The 1970s was an exciting decade for musical theatre. Besides shows from legends Stephen Sondheim, Company, Follies, A Little Night Music, and Sweeney Todd, and Andrew Lloyd Webber's Jesus Christ Superstar and Evita, old-fashioned musicals like Annie and major revivals like No, No, Nanette became hits. In addition to underappreciated shows like Over Here and cult musicals such as The Grass Harp and Mack and Mabel, Broadway audiences were entertained by black musicals on the order of The Wiz and Raisin. In *The Complete Book of 1970s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1970s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal appearance revues with such performers as Tony Bennett, Lena Horne, Bette Midler, and Gilda Radner. Each entry includes the following information: Opening and closing dates, Plot summaries, Cast members, Number of performances, Names of all important personnel including writers, composers, directors, choreographers, producers, and musical directors, Musical numbers and the names of performers who introduced the songs, Production data including information about tryouts, Source material, Critical commentary, Tony awards and nominations, Details about London and other foreign productions. Besides separate entries for each production, the book offers numerous appendixes including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1970s Broadway Musicals* provides readers with a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.
