Lord Berners Sam Leith, 2012-10-04 Here lies Lord Berners One of life's learners Thanks be to the Lord He was never bored So reads the epitaph on the gravestone of Lord Berners In its witty way it hints at his range of accomplishment He was a composer admired by Stravinsky writer painter aesthete and eccentric indeed in Mark Amory's words The Last Eccentric famously dyeing the pigeons at his house Faringdon in vibrant colours and for a time having a giraffe as a pet and tea companion His literary and artistic milieu was glittering Stravinsky Picasso Salvador Dali Siegfried Sassoon John Betjeman the Sitwells Harold Nicolson Frederick Ashton and Gertrude Stein they all belonged to it In fiction he was famously portrayed as Lord Merlin in Nancy Mitford's The Pursuit of Love As social history and a chronicle of a mad cap English eccentric this long awaited much needed and beautifully written book is to use a simple cliché indispensable Alexander Waugh Literary Review In Amory this engaging character has found the ideal biographer Getting the exact measure of its subject throughout written in a dry wittily ironic prose the biography offers of sheer bliss Gilbert Adair Sunday Times

The Country Houses of Shropshire Gareth Williams,2021 A gazetteer of the many fine Shropshire country houses which covers the architecture the owners family history and the social and economic circumstances that affected them Shropshire is the largest English inland county and has a wide variety of important landed country houses with owners from diverse social groups with links to trade in Liverpool Manchester and London as well as the local gentry This book is not simply about the houses they built but also about the people who lived in them and the context in which the houses are set The architecture is of course fully covered What is distinctive about the author s approach is that he treats the histories of the families their artistic tastes and their estates as an integral part of the character of each house

Country houses can serve as a barometer of national tastes and of the social and economic times in which they were built. The work includes reference to the important sporting associations, fine and decorative art collections, and to important guests and social networks. Unlike most architectural guides, this aims at a wider readership and will be an important resource for social historians, genealogists, and local historians. The Country Houses of Shropshire considers the history of 347 identified houses of varying importance; those with a significant or influential history are given a main entry of up to 6000 words, whilst lesser houses are treated with an entry of less than 1000 words. All houses have footnoted entries enabling the reader to refer directly to source and to undertake further research themselves.

Noble Ambitions Adrian Tinniswood, 2021-09-21 A rollicking tour of the English country home after World War II when swinging London collided with aristocratic values. As the sun set slowly on the British Empire, its mansions fell and rose. Ancient families were reduced to demolishing the parts of their stately homes they could no longer afford; dukes and duchesses desperately clung to their ancestral seats, and a new class of homeowners bought their way into country life. A delicious romp. *Noble Ambitions* pulls us into these crumbling halls of power, leading us through the juiciest bits of postwar aristocratic history, from Mick Jagger dancing at deb balls to the scandals of Princess Margaret. Capturing the spirit of the age, historian Adrian Tinniswood proves that the country house is not only an iconic symbol but a lens through which to understand the shifting fortunes of the British elite in an era of monumental social change.

Radclyffe Hall Richard Dellamora, 2011-05-31 *The Well of Loneliness* is probably the most famous lesbian novel ever written and certainly the most widely read It contains no explicit sex scenes yet in 1928 the year in which the novel was published it was deemed obscene in a British court of law for its defense of sexual inversion and was forbidden for sale or import into England Its author Radclyffe Hall was already well known as a writer and West End celebrity but the fame and notoriety of that one book has all but eclipsed a literary output of some half dozen other novels and several volumes of poetry In *Radclyffe Hall A Life in the Writing* Richard Dellamora offers the first full look at the entire range of Hall's published and unpublished works of fiction poetry and autobiography and reads through them to demonstrate how she continually played with the details of her own life to help fashion her own identity as well as to bring into existence a public lesbian culture Along the way Dellamora revises many of the truisms about Hall that had their origins in the memoirs of her long term partner Una Troubridge and that have found an afterlife in the writings of Hall's biographers In detailing Hall's explorations of the self Dellamora is the first seriously to consider their contexts in Freudian psychoanalysis as understood in England in the 1920s As important he uncovers Hall's involvement with other modes of speculative psychology including

Spiritualism Theosophy and an eclectic brand of Christian and Buddhist mysticism Dellamora s Hall is a woman of complex accommodations able to reconcile her marriage to Troubridge with her passionate affairs with other women and her experimental approach to gender and sexuality with her conservative politics and Catholicism She is above all a thinker continually inventive about the connections between selfhood and desire a figure who has much to contribute to our own efforts to understand transgendered and transsexual existence today **The Roman Forum** David Watkin,2009-12-15 Originally published London Profile Books 2009 The New Grove Dictionary of Music and Musicians: Baxter to Borosini Stanley Sadie,2001 Francis Bacon Mark Stevens,Annalyn Swan,2021-03-23 THE TIMES BEST ART BOOK OF THE YEAR FINALIST FOR THE PLUTARCH AWARD AND THE APOLLO AWARD There are not many biographical masterpieces but Mark Stevens and Annalyn Swan have produced one wrote the novelist John Banville of Francis Bacon Revelations By the Pulitzer prize winning authors of de Kooning An American Master this acclaimed biography contains a wealth of never before known details about one of the iconic artists of the 20th century a singularly private darkly funny eruptive man and his extraordinary art whose iconoclastic charm keeps the pages turning The Washington Post Francis Bacon created an indelible image of mankind in modern times and played an outsized role in both twentieth century art and life from his public emergence with his legendary Triptych 1944 its images so unrelievedly awful that people fled the gallery to his death in Madrid in 1992 Bacon was a witty free spirit and unabashed homosexual at a time when many others remained closeted and his exploits were as unforgettable as his images He moved among the worlds of London s Soho and East End the literary salons of London and Paris and the homosexual life of Tangier Through hundreds of interviews and extensive new research the authors probe Bacon s childhood in Ireland he earned his father s lasting disdain because his asthma prevented him from hunting his increasingly open homosexuality his early design career never before explored in detail the formation of his vision his early failure as an artist his uneasy relationship with American abstract art and his improbable late emergence onto the international stage as one of the great visionaries of the twentieth century In all Francis Bacon Revelations gives us a more complete and nuanced and more international portrait than ever before of this singularly private darkly funny eruptive man and his equally eruptive extraordinary art Bacon was not just an influential artist he helped remake the twentieth century figure *Dance on Its Own Terms* Melanie Bales,Karen Eliot,2013-06-13 Dance on its Own Terms Histories and Methodologies anthologizes a wide range of subjects examined from dance centered methodologies modes of research that are emergent based in relevant systems of movement analysis use primary sources and rely on critical informed observation of movement The anthology fills a gap in current scholarship by emphasizing dance history and core disciplinary knowledge rather than theories imported from disciplines outside dance Individual chapters serve as case studies that are further organized into three categories of significant dance activity performance and reconstruction pedagogy and choreographic process and notational and other written forms that analyze and document dance The breadth
