Demetrios Vikelas, Joannes Gennadius

Loukis Laras:

The Making of Modern Greece Professor David Ricks, Professor Roderick Beaton, 2013-06-28 Every Greek and every friend of the country knows the date 1821 when the banner of revolution was raised against the empire of the Ottoman Turks and the story of Modern Greece is usually said to begin Less well known but of even greater importance was the international recognition given to Greece as an independent state with full sovereign rights as early as 1830 This places Greece in the vanguard among the new nation states of Europe whose emergence would gather momentum through to the early twentieth century a process whose repercussions continue to this day Starting out from that perspective which has been all but ignored until now this book brings together the work of scholars from a variety of disciplines to explore the contribution of characteristically nineteenth century European modes of thought to the making of Greece as a modern nation Closely linked to nationalism is romanticism which exercised a formative role through imaginative literature as is demonstrated in several chapters on poetry and fiction Under the broad heading uses of the past other chapters consider ways in which the legacies first of ancient Greece then later of Byzantium came to be mobilized in the construction of a durable national identity at once Greek and modern The Making of Modern Greece aims to situate the Greek experience as never before within the broad context of current theoretical and historical thinking about nations and nationalism in the modern world The book spans the period from 1797 when Rigas Velestinlis published a constitution for an imaginary Hellenic Republic at the cost of his life to the establishment of the modern Olympic Games in Athens in 1896 an occasion which sealed with international approval the hard won self image of Modern Greece as it had become established over the previous century *The American Greek Review*, 1923 Loukis Laras Dēmētrios Vikelas, 1904 *Loukis Laras* Dēmētrios Vikelas, 1881 *Loukis Laras. Reminiscences of a Chiote Merchant During the War of Independence* Demetrios Vikelas, Joannes Gennadius, 2024-04-30 Reprint of the original first published in 1881 **The Making of Modern Greece** David Ricks, 2016-03-03 Every Greek and every friend of the country knows the date 1821 when the banner of revolution was raised against the empire of the Ottoman Turks and the story of Modern Greece is usually said to begin Less well known but of even greater importance was the international recognition given to Greece as an independent state with full sovereign rights as early as 1830 This places Greece in the vanguard among the new nation states of Europe whose emergence would gather momentum through to the early twentieth century a process whose repercussions continue to this day Starting out from that perspective which has been all but ignored until now this book brings together the work of scholars from a variety of disciplines to explore the contribution of characteristically nineteenth century European modes of thought to the making of Greece as a modern nation Closely linked to nationalism is romanticism which exercised a formative role through imaginative literature as is demonstrated in several chapters on poetry and fiction Under the broad heading uses of the past other chapters consider ways in which the legacies first of ancient Greece then later of Byzantium came to be mobilized in the construction of a

enduring national identity at once Greek and modern The Making of Modern Greece aims to situate the Greek experience as never before within the broad context of current theoretical and historical thinking about nations and nationalism in the modern world The book spans the period from 1797 when Rigas Velestinlis published a constitution for an imaginary Hellenic Republic at the cost of his life to the establishment of the modern Olympic Games in Athens in 1896 an occasion which sealed with international approval the hard won self image of Modern Greece as it had become established over the previous century Loukis Laras Vikelas Demetrios,1901

Gendered Stereotypes and Female Entrepreneurship in Southern Europe, 1700-1900 Polly Thanailaki,2021-04-26 This book addresses issues that remain under researched by feminist historians They pertain to female economic contribution in specific geographical areas and countries such as Greece Italy a number of regions of France Greek speaking regions in the Ottoman ruled Macedonia and two countries in the Balkans Romania and Bulgaria Additionally it compares and contrasts female economic agency in the above regions which is a field that hitherto lacks thorough study Polly Thanailaki explores female contribution to the finances of their family and to the economy of their country and how they interlaced in a transnational historical setting further exploring social norms and trading practices in these regions The methodology is based on the study of original printed sources such as archives newspapers and journals of the period along with secondary sources of literature The book addresses the nexus of gender economy and society covering a broad spectrum of gender studies economic history and social history in time and in geographic space

Formal and Informal Education during the Rise of Greek Nationalism Theodore G. Zervas,2016-12-08 This book examines informal modes of learning in Greece from in the late nineteenth and early twentieth centuries set against the backdrop of Greek nationalist interests and agendas For much of this period one of the Greek state s major goals was to bind the nation around a common history and culture linked to a collective and homogenous community This study addresses the critical relationship between the average Greek child and their home community and school life during the earliest stages of their education The stories games songs and theater that children learned in Greece for much of the late nineteenth and early twentieth centuries went beyond shaping their moral character or providing entertainment but were instrumental in forging a Greek national consciousness

Mediterranean reconsidered Mauro Peressini,Ratiba Hadj-Moussa,2005-01-01 This collection of essays re evaluates existing representations of the Mediterranean providing a fresh new and often critical perspective on the cultural social and political processes that shape this region Subjects such as food traditions music alterity and identity from Southern Europe to North Africa and the Middle East are examined Published in English
