Rosenfels,1974 *Psychic Exhaustion and the Growth Process* Paul Rosenfels,1980 Discusses the role of independent
warmth and pride in handling simple depression or greyness Back cover **Letters to Dean** Paul Rosenfels,1981 A
discussion of the nature of sex and celebration and an examination of the causes of homophobia in the gay community Letter
1 **Freud and the Scientific Method** Paul Rosenfels,1980 **A Renegade Psychiatrist's Story** Paul Rosenfels,1979 It
tells of his break with classical psychoanalysis his coming out as a homosexual and the founding of the Ninth Street Center
accompanying press release *Do Ask, Do Tell* Bill Boushka,2000 The original Bill of Rights sponsored largely by James
Madison is now about 210 years old Reinforced by the Fourteenth Amendment which eventually applied many of its
provisions to the states it has served us well It is time to re evaluate our fundamental constitutional rights and to seriously
consider their major renovation This is my central proposal Are we ready to trust ourselves as individuals with the personal
responsibilities that go with rights When government defines personal moral values we tend to take less account for not only
our own actions but also our own underlying values for those spiritual yearnings that make us all unique people who we are
We tend to lose interest in speaking for ourselves and tend to leave moral judgments to experts who get paid to pass
judgment on all of us I discuss a philosophy often called libertarianism of extremely restricted government I present it from
the personal perspective of a gay man who grew up in a period of enormous change and migration toward cultural
individualism My argument is intended for everyone but I provide my own detailed perspectives on many issues The parallel
between draft deferments during the Vietnam era and the gays in the military battle today How close the gay community as
we know it came to total catastrophe during the early days of AIDS crisis What the family values debate is really all about
Volunteerism and social obligations and how both military service and parenting fit into these What discrimination is really
all about How the Don t Tell mentality interferes with political and social debate in many areas Why equal rights for gays is
important for everybody A science of personal growth and why libertarianism is good for personal growth **Eros and the
Shattering Gaze** Kenneth A. Kimmel,2011 This timely and innovative expose by contemporary Jungian psychoanalyst Ken
Kimmel reveals a culturally and historically embedded narcissism underlying men s endlessly driven romantic projections
and erotic fantasies that has appropriated their understanding of what love is Men enveloped in narcissism fear their
interiority and all relationships with emotional depth that prove too overwhelming and penetrating to bear so much so that
the other must either be colonized or devalued This wide ranging work offers them hope for transcendence Explores
Transcendence of Narcissism in Romance Men s Capacity to Love Kabbalistic Mysticism Post modern Philosophy
