The Seaside Bride and Other Stories Dasu Krishnamoorthy, 2019-06-26 Dasu Krishnamoorthy in his ninety fourth year has immense faith in the power of memories to bring back days already lived for a re evaluation a leveling of highs and lows Eventually every man searches his past for clues seeking to solve the enigma of being and the negotiation of a life not of his making Dasu s personal tales are spun from four significant migrations that defined his life tracing his lineage to an ancestor who was also a migrant He takes the reader to places with different histories geographies and cultures Three of these locations once ruled by Muslim dynasties are open air museums of royal tombs and homes to awe inspiring Islamic marvels of architecture Hyderabad Ahmedabad and New Delhi In contrast the setting of the first story in Dasu s collection *Cracking Infinity* epitomizes modern minimalism in the United States the location of his last migration

The Life Manager and Other Stories Mirela Roznoveanu, 2004-05-24 In Mirela Roznoveanu s new book of fiction human love is everywhere but strangely hard to find Love animates a world where the tangled web of sexuality commitment language place and history enthralls us with its tantalizing detours its cruel pretenders and its unexpected pleasures These tumultuous pages introduce us to people we can instantly recognize and never forget From adventures that vividly signal a lifetime s meaning each returns with something new something utterly different from that which was sought Here in her first major work in English we find the pulsing streaming vision of time place history and character that distinguishes Roznoveanu s work in her native Romanian Roznoveanu restores a visionary spirit lost to English for two or more generations These stories come to us in the circuitous wake of the great early modernists offering prodigious healing power for the grave psychic wounds that have afflicted the human condition since the crucial turning point of 1945 *The Life Manager and Other Stories* scintillates with cascades of luminous images and narrative reversals that seize our attention and don t let go This is a book to return to again and again for its endlessly intriguing glimpses of the elusive peace and joy our souls thirst for

The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries
