Pesach Is Coming:

Stricker,2008-03-15 Coming Out of Egypt is an exodus out of idolatry the idolatry of ancient Egypt and the idolatry that permeates the church today Its goal is to make the exodus come alive for the reader not to just read about the exodus but to experience the exodus not to just read about the Passover but to experience the Passover to catapult the reader back through time like a time traveler entering a time portal The goal of Coming Out of Egypt is to experience redemption not just to read about redemption to experience redemption from Pharaoh at the Reed Sea and witness Yeshua s resurrection **The Coming Messiah** Elwood Mcduffie,2019-07-26 The Coming Messiah Hope for a Hurting World provides a glimpse of history and how the world arrived at this point in time by maintaining a focus on the nation of Israel God s redemptive story is woven throughout its pages providing encouragement and hope for those who may feel they have no hope We see war and strife on every side distress among nations famine and disease and a time when evil is called good and good is called evil Yet even in the midst of extreme difficulty and persecution you can find peace you can have hope hope that can only be found in the person of Jesus Christ The Coming Messiah Hope for a Hurting World tells how you can have that hope hope that surpasses all understanding Difficult times are sure to come yet God has provided a way of escape through his dear Son Jesus Christ *Jewish Child Bulletin* ,1929 **The Women's Passover Companion** Sharon Cohen Anisfeld,Tara Mohr,Catherine Spector,2003 A powerful and empowering gathering of women s voices transmitting Judaism s Passover legacy to the next generation The Women s Passover Companion offers an in depth examination of women s relationships to Passover as well as the roots and meanings of women s seders This groundbreaking collection captures the voices of Jewish women rabbis scholars activists political leaders and artists who engage in a provocative conversation about the themes of the Exodus and exile oppression and liberation history and memory as they relate to contemporary women s lives Whether seeking new insights into the text and traditions of Passover or

The Ark, 1920 The Jewish Pesach and the Origins of the Christian Easter Clemens Leonhard, 2012-02-14 The study assesses the main issues in the current debate about the early history of Pesach and Easter and provides new insights into the development of these two festivals The author argues that the prescriptions of Exodus 12 provide the celebration of the Pesach in Jerusalem with an etiological background in order to connect the pilgrim festival with the story of the Exodus The thesis that the Christian Easter evolved as a festival against a Jewish form of celebrating Pesach in the second century and that the development of Easter Sunday is dependent upon this custom is endorsed by the author's close study of relevant texts such as the Haggada of Pesach the Poem of the four nights in the Palestinian Targum Tradition the structure of the Easter vigil

Seymour, the Formerly Fearful Eve B. Feldman, 2019-04-01 Seymour Goldfarb has a big problem He's afraid of everything He dreads roller coasters and the beach He refuses to go to Camp Sportahama He won't even learn to ride a bike Quick thinking helps Seymour hide his fears from the world But things change the summer his cousin Pessach comes to visit from Israel Big confident Pessach is strong and fearless His idea of a good time is parachuting out of a plane which he did as an Israeli paratrooper And he demands that Seymour show him how Americans have fun How will Seymour ever survive the summer

Pesach for the Rest of Us Marge Piercy, 2009-04-02 Every year poet and novelist Marge Piercy creates her own Passover seder with a group of family and friends Babies have been born and grown up friends have moved or divorced but the principals continue to gather in her rustic Cape Cod home to participate in a seder that Piercy takes joy in tweaking each spring to make it more meaningful In this journey through the ritual Piercy coaxes us toward a significant contemporary interpretation rather than an emphasis on what is strictly correct or traditional She reminisces about her grandmother who thought herself unworthy to lead a seder because of her limited Hebrew but presided morally at the table she urges adding an orange to the seder plate she even describes her heroic efforts to make her own gefilte fish an experiment not to be repeated Piercy offers her distinct slant on each element of the feast and provides dozens of her own wonderful recipes which she delivers in the same warm commanding voice as is heard in her poems and prose When I told Ira that I was going to explain how to cook matzoh brei he thought I was crazy Everybody knows how to make

matzoh brei he said But I am of the opinion that there is no longer anything that everybody knows how to cook It is in that spirit no question too simple that Piercy welcomes readers to her kind of seder a homemade and personal affair the kind we all wish we could attend This charming and instructive book of Passover wisdom brimming with favorite dishes and Marge Piercy's own moving Passover poems and blessings invites us to look at an important Jewish ritual in a whole new way

Arava's Awakening Ted Creen, 2025-07-31 Seventeen year old Arava is a Jewish servant in the household of Caiaphas Jerusalem's high priest She finds herself thrown headlong into the turmoil and drama surrounding the arrest of Jesus of Nazareth Who is this man who has everyone so upset Deeper emotions begin to surface in Arava when the situation with Jesus awakens feelings of grief and confusion over her father's tragic death What does this all have to do with this Jesus Where will Arava's search for meaning and hope lead her **Hush** Eishes Chayil, 2010-09-14 After remembering the cause of her best friend Devory's suicide at age nine Gittel is determined to raise awareness of sexual abuse in her Borough Park New York community despite the rules of Chassidim that require her to be silent **Holy Things** Gordon W. Lathrop, New in paperback Cyril of Jerusalem wrote about holy things He thereby reflected the communion invitation used in his fourth century liturgy to call people to taste and see that the Lord is good Mystagogical Catecheses The present times call for strong and healthy symbols that hold people into hope The Christian communities need a reintroduction into the ways in which liturgical symbols respond to human need Indeed Lathrop argues Christian communities continually need to reconsider the meaning of their liturgies and reform those liturgies toward authentic clarity In its three parts this book 1 proposes that an ecumenical pattern or ordo of worship can be discerned which is also a pattern of meaning 2 discusses the ways in which meaning occurs in the meeting for worship itself and 3 draws practical conclusions about the organization of that meeting and its importance to current human need Throughout Lathrop undertakes to do theology that is to say what the liturgy actually says about God **The Inner Stream Torah Insights on the Parsha of the Week** Mohorosh of Heichal Hakodesh Breslov, 2009-11-04 Inner Stream Insights of Torah Inspiring and Encouraging Words by Mohorosh Shlita on The Weekly Parsha Strikes a chord in every reader as it crystallizes the Torah's timeless wisdom based on the teaching of Rabbi Nachman ZL and it reveals the Insight of Torah on how it is being applied to our daily life **The Neppi Modona Diaries** Kate Cohen, 1997 A polyvocal memoir chronicling the experiences of one Jewish family in fascist Italy as reconstructed from diaries and interviews by a young cousin
