Political Culture And Postcommunism

Julie Newton, William Tompson

Political Culture And Postcommunism:

Political Culture in Post-communist Europe Detlef Pollack, 2003 This text aims to sketch some of the challenging issues of the attitudinal dimension of system changes It provides facts and figures on the progress of democratization in Central and Eastern Europe

Political Culture and Post-Communism S. Whitefield, 2005-10-11 Our understanding of the dynamics of Communist systems was substantially improved by taking political culture into account But how much does the concept of political culture add to our empirical understanding of post Communist Russia The book's contributors engage with theoretical debates between political culture and competing rational choice and institutionalist approaches to post Soviet politics and provide illustrative empirical studies of civic participation views of national identity the Russian criminal justice system and political violence

Political Culture in Post-Communist Europe Gert Pickel, 2018-03-31 This title was first published in 2003 Engaging directly with some of the most important issues in contemporary politics this volume deals with the role of political culture in democratic transitions focusing in particular on democratization in Eastern and Central Europe The central question is the relationship between institutional development and societal norms and between the development of a superstructure of democratic proceduralism and the attitudes and responses of post Communist republics Surveying over ten years of experience of post Communist change the book draws upon a rich range of sources using quantitative survey data in a sophisticated and enlightening way The rigorous methodology employed provides important insights into real processes in specific countries and allows for a number of generalizations to be made about the role of political culture today

Political Culture and Political Change in Communist States Archie Brown, Jack Gray, 1979-10-01 **Political Culture and Communist Studies** Archie Brown, 1985-01-01 **Cultures of Power in Post-Communist Russia** Michael E. Urban, 2010 In Russian politics reliable information is scarce formal relations are of relatively little significance and things are seldom what they seem Applying an original theory of political language to narratives taken from interviews with 34 of Russia's leading political figures Michael Urban explores the ways in which political actors construct themselves with words By tracing individual narratives back to the discourses available to speakers he identifies what can and cannot be intelligibly said within the bounds of the country's political culture and then documents how elites rely on the personal elements of political discourse at the expense of those addressed to the political community Urban shows that this discursive orientation is congruent with social relations prevailing in Russia and helps to account for the fact that despite two revolutions proclaiming democracy in the last century Russia remains an authoritarian state

Cultures of Power in Post-Communist Russia Michael Urban, 2012-05-03 In Russian politics reliable information is scarce formal relations are of relatively little significance and things are seldom what they seem Applying an original theory of political language to narratives taken from interviews with 34 of Russia's leading political figures Michael Urban explores the ways in which political actors construct themselves with words By tracing individual narratives back to the discourses available to speakers

he identifies what can and cannot be intelligibly said within the bounds of the country's political culture and then documents how elites rely on the personal elements of political discourse at the expense of those addressed to the political community Urban shows that this discursive orientation is congruent with social relations prevailing in Russia and helps to account for the fact that despite two revolutions proclaiming democracy in the last century Russia remains an authoritarian state

Post-communist Studies And Political Science Jr. Fleron, Erik P Hoffmann, 2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self-destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism

Political Culture in Post-Communist Russia J. Alexander, 2000-07-05 Taking a unique qualitative approach to studying Russian political culture this book presents an in depth analysis of the attitudes and activities of residents in two provincial capitals Syktyvkar and Kirov It shows evidence of underlying democracy in popular opinions It also finds an authoritarian side that is being strengthened by the ongoing crisis of Russia's transition In entering a controversial subject area the author directs a critical eye toward the contemporary research on Russian political culture

Political Culture and Political Change in Post-communist Societies V. A. Gutorov, A. I. Koriukhin, Gerd Meyer, 1997

The Political Analysis of Postcommunism Volodymyr Polokhalo, 1997 Transformation is still the order of the day in the polities of the former Soviet Union and Eastern Europe as they emerge from decades of communism and try to forge new identities new economies new societies The Political Analysis of Postcommunism offers the perspectives of prominent political scientists historians sociologists philosophers and others each writing on a particular aspect of the transformation of society from communist to postcommunist forms Originally published in English and Ukrainian in 1995 in Kiev by the editors of the Ukrainian journal Political Thought this volume is written by those who have themselves lived through the changes Political scientists sociologists and others interested in the progress of postcommunist society in the independent formerly communist nations of Eastern Europe and Central Asia will profit from reading these thought provoking early insights into the world to come

Values and Political Change in Postcommunist Europe W. Miller, S. White, P. Heywood, 1998-01-19 This is a book about political values socialist nationalist liberal and democratic values in five former communist countries Russia Ukraine Hungary Slovakia and the Czech Republic Based on eleven surveys involving extended interviews with 7350 members of the public and 504 Members of Parliament it provides an authoritative account of

the extent to which politicians and the public in East Central Europe and the Former Soviet Union have rejected communist ideals and adopted nationalist and or liberal democratic values *Prospects for Constitutionalism in Post-Communist Countries* Levent Gönenç, 2002-06-18 The last decade of the 20th century saw radical changes in Eastern Europe and the former USSR Most of these countries made a transition from totalitarianism or authoritarianism to democracy and from central planning to a market economy Adding to the latter a number of national entities gained their independence after the disintegration of the federative states of the USSR Yugoslavia and Czechoslovakia Many recent studies have focused on these double in some cases triple transitions and scholars from different fields analyzed the so called 1989 Revolution from different perspectives Rather less scholarly attention has been paid to the future of post communist constitutions and prospects for constitutionalism in these countries The main questions dealt with throughout this study can be formulated as follows Will liberal democratic constitutionalism take root in these countries Will new constitutions in Eastern Europe and the former USSR perish or survive This study also aims at contributing to the construction of a general constitutional theory by studying the causes and dynamics of constitutional change in general Such constitutional change is not only on the East European but also on the West European agenda The purpose of this study is not to introduce a general theory about constitutional in stability but studying post communist constitutions will help us to understand the causes and dynamics of constitutional change from a broader perspective **The Politics of the Postcommunist World** Stephen White, Daniel Nelson, 2017-11-01 This title was first published in 2001 This series brings together the most significant journal articles to appear in the field of comparative politics since the 1970s The aim is to render accessible to teachers researchers and students an extensive range of essays as a basis for understanding established terrain and new ground **Orthodoxy Versus Post-Communism?** Nelly Bekus-Gonczarowa, Mirella Korzeniewska-Wiszniewska, Michał Wawrzonek, 2016-09-23 Post communism has determined the social and political reality in Central Eastern and South Eastern Europe for the last 25 years A characteristic phenomenon during this time is a religious revival in the societies that were subject to intense atheization under the conditions of communist totalitarianism This process can be observed in Ukraine Belarus and Serbia Undoubtedly in all three cases the Orthodox faith and the institutions that represent it have become an important element of the political culture This book analyses the influence of Orthodoxy on political behaviours values and judgments looking particularly at such topics as the legacy of communism shared attitudes towards the West the European Union democracy and the ways of conceptualising post communist Ukrainian Belarussian and Serbian cultural and national identity The research here explores such events and problems as the Euromaidan and the development of a civic society in Ukraine the process of integration of Serbia into the EU the perspectives of stability for the regime in Belarus and the future of efforts for reintegration of post Soviet space under the hegemony of Moscow *Russian Politics and Society* Richard Sakwa, 2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade

the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991-93 historical evaluation of Yeltsin's leadership full coverage of Putin's presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re-introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty-first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society

Institutions, Ideas and Leadership in Russian Politics Julie Newton, William Tompson, 2010-06-23 A stimulating and thought-provoking collection that challenges some of the emerging conventional wisdom about contemporary Russia It examines the role of leadership institutions and ideas and the interactions among them in shaping Russia's post-Soviet transformation

Women's Access to Political Power in Post-Communist Europe Richard E. Matland, Kathleen A. Montgomery, 2003-05-01 This book considers women's access to formal positions of power in the newly formed democracies of post-communist Europe While acknowledging the relevance of recent history this book takes an important step away from the communist legacy and explicitly argues for a framework based on causal variables identified in the existing literatures from industrialized democracies on women and politics and legislative recruitment After a brief introduction the second chapter sets forth a general theoretical framework which posits that the level of female legislative representation in a given country is a function of the relative supply of and demand for female candidates After a chapter considering a broad overview of public opinion on women and politics in Eastern Europe thirteen country chapters spanning the spectrum of Eastern European democracies address and test hypotheses about the key variables affecting the supply and demand sides of the equation in individual countries Relevant aspects of the communist cultural and developmental legacy are addressed but authors give particular attention to political factors such as electoral rules and the characteristics of the emerging party systems that vary within the Eastern European countries The new democracies of Eastern Europe provide a novel context in which to test and extend our theories about the consequences of political institutions for the quality of democracy Since institutional arrangements are more malleable than developmental or cultural characteristics those variables also offer the greatest promise to scholars and practitioners wondering what can be done to improve women's access to formal arenas of political power How can we build democracies that are stable lasting and representative A careful analysis of the post-communist context can help us to address issues concerning institutional design and development that has relevance well beyond the Eastern European context

Postsocialist Europe László Kürti, Peter Skalník, 2009 Now that nearly twenty years have passed since the collapse of

the Soviet bloc there is a need to understand what has taken place since that historic date and where we are at the moment Bringing together authors with different historical cultural regional and theoretical backgrounds this volume engages in debates that address new questions arising from recent developments such as whether there is a need to reject or uphold the notion of post socialism as both a necessary and valid concept ignoring changes and differences across both time and space The authors firsthand ethnographies from their own countries belie such a simplistic notion revealing as they do the cultural social and historical diversity of countries of Central and Southeastern Europe

Postcommunism and the Theory of Democracy Richard D. Anderson, M. Steven Fish, Stephen E. Hanson, Philip G. Roeder, 2021-05-11 Why did the wave of democracy that swept the former Soviet Union and Eastern Europe starting more than a decade ago develop in ways unexpected by observers who relied on existing theories of democracy In *Postcommunism and the Theory of Democracy* four distinguished scholars conduct the first major assessment of democratization theory in light of the experience of postcommunist states Richard Anderson Steven Fish Stephen Hanson and Philip Roeder not only apply theory to practice but using a wealth of empirical evidence draw together the elements of existing theory into new syntheses The authors each highlight a development in postcommunist societies that reveals an anomaly or lacuna in existing theory They explain why authoritarian leaders abandon authoritarianism why democratization sometimes reverses course how subjects become citizens by beginning to take sides in politics how rulers become politicians by beginning to seek popular support and not least how democracy becomes consolidated Rather than converging on a single approach each author shows how either a rationalist institutionalist discursive or Weberian approach sheds light on this transformation They conclude that the experience of postcommunist democracy demands a rethinking of existing theory To that end they offer rich new insights to scholars advanced students policymakers and anyone interested in postcommunist states or in comparative democratization

Political Culture And Postcommunism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Culture And Postcommunism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Culture And Postcommunism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Political Culture And Postcommunism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Political Culture And Postcommunism Books

What is a Political Culture And Postcommunism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Political Culture And Postcommunism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Political Culture And Postcommunism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Political Culture And Postcommunism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Political Culture And Postcommunism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
