**Oscar Hammerstein II and the Invention of the Musical** Laurie Winer, 2023-01-31 A new look at artist Oscar Hammerstein II as a pivotal and underestimated force in the creation of modern American culture You know his work Show Boat Oklahoma Carousel The King and I But you don t really know Oscar Hammerstein II the man who more than anyone else invented the American musical Among the most commercially successful artists of his time he was a fighter for social justice who constantly prodded his audiences to be better than they were Diving deep into Hammerstein s life examining his papers and his lyrics critic Laurie Winer shows how he orchestrated a collective reimagining of America urging it forward with a subtly progressive vision of the relationship between country and city rich and poor America and the rest of the world His rejection of bitterness his openness to strangers and his optimistic humor shaped not only the musical but the American

dream itself His vision can continue to be a touchstone to this day      **Anita Blake, Vampire Hunter Collection 1-5**

Sudhalter, 2003-10-30

Georgia on My Mind Rockin Chair Skylark Lazybones and of course the incomparable Star Dust who else could have composed these classic American songs but Hoagy Carmichael He remains for millions the voice of heartland America eternal counterpoint to the urban sensibility of Cole Porter and George Gershwin Now trumpeter and historian Richard M Sudhalter has penned the first book length biography of the man Alec Wilder hailed as the most talented inventive sophisticated and jazz oriented of all the great songwriters the greatest of the great craftsmen Stardust Melody follows Carmichael from his roaring twenties Indiana youth to bandstands and recording studios across the nation playing piano and singing alongside jazz greats Jack Teagarden Benny Goodman Tommy and Jimmy Dorsey and close friends Bix Beiderbecke

and Louis Armstrong It illuminates his peak Hollywood years starring in such films as *To Have and Have Not* and *The Best Years of Our Lives* and on radio records and TV With compassionate insight Sudhalter depicts Hoagy's triumphs and tragedies and his mounting despair as rock and roll drowns out and lays waste to the last days of a brilliant career With an insider's clarity Sudhalter explores the songs themselves still fresh and appealing while reminding us of our innocent American yesterdays Drawing on Carmichael's private papers and on interviews with family friends and colleagues he reveals that The Old Music Master was almost as gifted a wordsmith as a shaper of melodies In all *Stardust Melody* offers a richly textured portrait of one of our greatest musical figures an inspiring American icon *New Broadways* Gerald M.

**Round in Circles** Barry Kester,2024-10-15 *Round In Circles* The Story of Rodgers Hammerstein's *Carousel* is intended not only for those who share the author's love of the Golden Age Broadway musicals but also for students of the genre who want to learn about the trials and tribulations encountered in producing a musical at that time when Rodgers and Hammerstein were transforming such shows into the unique American art form we continue to enjoy today The book covers the history of *Carousel* from its beginning as *Liliom* a 1909 play by Hungarian author Ferenc Molnar to its latest 2021 London revival At first Rodgers and Hammerstein dismissed the idea of turning *Liliom* into a musical How they were persuaded to change their minds and the struggles the duo experienced in adapting the dark fantastical play is a key part of the story told by author Barry Kester But the book also shines the spotlight onto Rodgers and Hammerstein themselves looking at their lives their working methods and their relationship which was not always as harmonious as one might have

thought Although Carousel was created by Rodgers and Hammerstein it would not have happened without the help of some extraordinary people both backstage and onstage and the book pays due tribute to them all Many of Carousel s songs have become well loved standards none more so than You ll Never Walk Alone and not just because of its association with football A chapter is devoted to this remarkable anthem Carousel s story did not end with its 1945 Broadway opening After an initial London run and a nationwide tour in the States there was a film version The author relates the many problems that were encountered on that production The book examines what many would agree to be the finest production of Carousel to date staged at the National Theatre in 1992 directed by Nicholas Hytner and concludes with a look at some of the more recent revivals and the show s place in the musical theatre canon today Barry Kester lives in Pinner and has loved musical theatre all his life After retirement in 2010 he set out to write a detailed history of his favourite musical Round in Circles The Story of Rodgers Hammerstein s Carousel is his first book **Billboard** ,1981-10-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Music in the 20th Century (3 Vol Set) Dave DiMartino,2016-04-15 This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons the immediate post Hiroshima Nagasaki period and the Korean War It also provides an account of US actions and attitudes during this period and China s response
