extensive market research to reach the same customers over and over without ever helping them The inside story on the most notorious gurus from Dr Phil to Dr Laura from Tony Robbins to John Gray How your company might be wasting money on motivational speakers executive coaches and other quick fixes that often hurt quality productivity and morale How the Recovery movement has eradicated notions of personal responsibility by labeling just about anything from drug abuse to sex addiction to shoplifting a dysfunction or disease How Americans blindly accept that twelve step programs offer the only hope of treating addiction when in fact these programs can do more harm than good How the self help movement inspired the disastrous emphasis on self esteem in our schools How self help rhetoric has pushed people away from proven medical treatments by persuading them that they can cure themselves through sheer application of will As Salerno shows to describe self help as a waste of time and money vastly understates its collateral damage And with SHAM the self help industry has finally been called to account for the damage it has done Also available as an eBook *The 10 Best Questions for Living with Alzheimer's* Dede Bonner,2008-11-04 A good mind knows the right answers but a great mind knows the right questions And never are the 10 Best Questions more important than after the life altering diagnosis of Alzheimer s disease Drawing on cutting edge research and advice given by experts from the Alzheimer s Association Mayo Clinic and UCLA s Memory Clinic and Center for Aging as well as personal stories from caretakers including television star and activist Linda Dano and nationally syndicated columnist Harriet Cole The 10 Best Questions for Living with Alzheimer s is a guide you ll take with you to your doctor s office and keep close at hand as your loved one progresses from the initial diagnosis through all the stages of the disease In addition to the medical questions you ll also learn what you need to ask your spouse or parent questions to assess home safety issues driving skills and home care and how to care for your own emotional legal and financial health With a wealth of resources and up to the minute information The 10 Best Questions for Living with Alzheimer s shows you and your family how to move past a scary diagnosis and use the power of questions to become your own best health advocate for yourself and for your loved one *The 10 Best Questions for Living with Fibromyalgia* Dede Bonner,Dr. Patrick B.
