## **Security In South Asia Comprehensive And Cooperative:**

*Security in South Asia* Dipankar Banerjee, 1999 Ten years after the end of the Cold War South Asia stands almost alone among regions where the potential for conflict remains high The situation was further aggravated by the nuclear tests in the region in May 1998 This has led to avoidable tensions high military spending and lack of economic co operation among its member countries As a result South Asia is today among the poorest regions in the world with human development indices even worse than Sub Saharan Africa It is imperative that this cycle of tension and conflict is broken The only way out is to develop alternative approaches to security One such alternative is comprehensive and co operative security Ideas which have emerged in recent years in Europe and Asia may be adapted usefully in South Asia This book is an attempt at understanding the security concerns of individual countries of South Asia

*Development and Security in Southeast Asia* Carolina G. Hernandez, 2019-07-15 This title was first published in 2003 This three volume set examines the relationship between government and civil society in their efforts to define and pursue security Including the results of an extensive research program each volume is organized around one of the three principal themes environment people and globalization supplying compelling evidence of the tension between economic change and human well being Challenging the conventional wisdom about the beneficial results of economically induced change this first volume suggests that too often the mismanagement of development jeopardizes the security of individuals families communities and possibly the state by harming the very environment which is required to sustain both people and their economic existence Bringing together an international group of scholars from a variety of disciplines this volume is particularly relevant for academic and general research communities in the areas of social economic political and security matters of Southeast Asia

*India and Southeast Asia* Sudhir Devare, 2003-08-01 There is a growing dialogue between India and Southeast Asia From a marginal relationship during the Cold War days to the participation of India at the East Asia summit in December 2005 has been a long journey In the context of the geopolitical situation in the Asia Pacific in the post September 11 period the security dimension between India and Southeast Asia cannot be overemphasized With the continued U S preponderance in the region and China s phenomenal rise the countries of Southeast Asia and India have an opportunity to evolve a co operative relationship not only with one another but also with the major powers of the region This book examines the areas of comprehensive security and the growing understanding between India and Southeast Asia where there is less divergence and greater convergence The author argues that India Southeast Asia security convergence is not and should not be aimed at any particular country On an optimistic note he concludes that such convergence will contribute to creating harmony among the major powers of Asia to make the twenty first century the e Asian century

**Regionalism and Globalism in Southeast Asia** E. Palmujoki, 2001-10-25 Eero Palmujoki examines the regionalist debate in Southeast Asia from the end of the Cold War up to the beginning of the new millennium He focuses on the organization of the ASEAN Association of Southeast Asian Nations and covers the political

economic and security issues characterizing its development The book compares the theoretical debate with political developments in the region from the beginning of the post Cold War period with its rapid economic growth through the Asian economic crisis of 1997 and the resulting restructuring of Southeast Asian regional systems **Development and Security**

**in Southeast Asia: The environment** David Brian Dewitt, Carolina G. Hernandez, 2003 Challenging the conventional wisdom about the beneficial results of economically induced change this first volume suggests that too often the mismanagement of development jeopardises the security of individuals families communities and possibly the state by harming the very environment which is required to sustain both people and their economic existence Bringing together an international group of scholars from a variety of disciplines this volume is relevant for all those interested in Southeast Asia

*The Arms Dynamic in South-East Asia During the Second Cold War* Mark. G Rolls, 2017-11-30 This title was first published in 2002 This work uses the concept of the arms dynamic to identify and assess the various factors which influenced arms acquisitions of Southeast Asian states during the second Cold War period from 1979 to 1989 providing an essential basis for understanding contemporary developments The book provides a comprehensive and systematic explanation of the reasons for arms purchases in SE Asia during the 1980s and aims to fill a gap in the literature by fully exploring arms procurement processes in the region prior to the end of the Cold War *Development and Security in Southeast Asia: Globalization* David Brian Dewitt, Carolina G. Hernandez, 2003 This third volume of three accepts that globalization is both the context within which Southeast Asian countries must function and is a process which governments and businesses have embraced The focus of this text is on how the phenomenon of globalization has affected individuals well being and the community security

**Minority Rights in South Asia** Rainer Hofmann, Ugo Caruso, 2011 This publication contains case studies on human and minority rights in the South Asian countries including a special focus on the South Asian Association for Regional Cooperation SAARC and articles on different forms of National Human Rights Commission and Immigration to the UK and new minorities It is further complemented by an in depth study on Autonomy Kashmir and International Law Assembling articles authored by leading scholars from both South Asia and Europe the book will contribute to a mutual exchange of views on human and minority rights issues in South Asia In particular the book is aimed at increasing awareness and understanding of current developments in South Asia and on this basis at enhancing a constructive dialogue between representatives of the scientific community policy makers and civil society in Europe and their counterparts in South Asia

*Belt and Road Initiative and South Asia* Kalyan Raj Sharma, 2023-06-02 Belt and Road Initiative BRI has been an obscure concept and it remains difficult to distinguish what BRI is and isn't making it difficult for many governments and global corporations to properly participate in it I am delighted to present the opinions and perspectives of many eminent researchers professors and experts from various countries on the Belt and Road Initiative BRI The book contains 11 chapters which are written by distinguished researchers and practitioners from various parts of Asia While these 11 chapters discuss

the many characteristics of the BRI including advantages and costs they also convey the lessons that many other Southeast Asian countries have learned Each chapter offers valuable lessons to the countries that have yet to participate in the initiatives

**Armed Conflicts in South Asia 2013** D. Suba Chandran,P.R. Chari,2015-08-12 Seventh in the annual series this volume focuses on civil society movements in South Asia besides covering armed conflicts in the region in 2012 The first section addresses the conflicts in Afghanistan Pakistan and Myanmar and the situation in Northeast India and Naxalite violence the second assesses peace audits in Nepal Sri Lanka Jammu and Kashmir along with the peace process in Nagaland
