Security of Third World Countries Jasjit Singh, Thomas Bernauer, 1993 This study focuses on security in Third World countries and has been written primarily by experts from the developing world This is an important book for instructors and advanced students of international politics international security and world disarmament as well as those who specialize in the study of the Third World

Arms Transfer Limitations and Third World Security Thomas Ohlson, 1988 Is the arms trade totally uncontrolled What are the main obstacles to limitations on arms transfers What can be learned from past attempts at arms transfer control This book which completes SIPRI's trilogy on the facts and implications of Third World build up of major conventional weapons assesses past efforts current proposals and future possibilities to limit the transfer of weapons and military technology to Third World countries It is a companion to the two SIPRI volumes Arms Production in the Third World 1986 and Arms Transfers to the Third World 1971-85 OUP 1987

Regional Security in the Middle East Pinar Bilgin, 2004-09-09 This is an accessible yet critical analysis of regional security in the Middle East Using a non realist approach Bilgin provides a comprehensive study of the past present and future of security in the region She also considers the question of identity formation explaining how and why various regional representations came into being and explore

India's National Security Dilemma Rajpal Budania, 2001

The EU, the UN and Collective Security Joachim Krause, Natalino Ronzitti, 2012-07-26 This book examines the effectiveness of multilateralism in ensuring collective security and in particular the EU's role in this process In 1992 shortly after the end of the Cold War a Security Council Summit in New York reaffirmed the salience of the system of collective security and stated the determination of the Heads of State to maintain it as the prime international instrument for preserving peace Twenty years later however the record of collective security as well as of multilateralism has not been very encouraging The system of collective security as enshrined in the United Nations UN Charter failed repeatedly to accomplish its mandate in the 1990s and has led to controversial debates in the United States and Europe that reached a climax during the Iraq crisis in 2002-03 The volume draws upon both theoretical and empirical research to answer the following core questions What are the reasons that have made multilateralism either effective or ineffective in the field of peacekeeping peace preservation and peacebuilding How can multilateralism be made more effective How can attempts made by Europe to render UN multilateralism in the security area more efficient be assessed This book will be of much interest to students of peacebuilding peacekeeping EU policy the UN security studies and IR in general

Regional Security in the Middle East , The Economics of Regional Security Jurgen Brauer, Keith Hartley, 2013-03-07 This important book explores the threats and challenges to regional security for Nato in the Mediterranean and in the sub Saharan countries namely southern Africa Written and edited by leading researchers the volume's significance lies in its demonstration of how concepts from economics and other social science disciplines can be applied to important issues of defence conflict and peace at the regional level
