Scientific Vortex Information Pete A. Sanders, Jr.,2005-04-01 This book was originally written to help those visiting Sedona Arizona who could not attend my regular Scientific Vortex Information Training Class see www.freesoul.net It teaches how to rapidly easily and effectively tap Sedona s famous meditation sites It also contains a system for finding vortexes closer to your home area Understanding vortexes and how to tap them is a key asset for exploring your dimensions beyond described in Superstrings Physics Even more important

however is knowing how to weave that knowledge into a method for Living life AS a Soul When you are having difficulty accessing deeper spiritual skills or are facing intense inner hurts vortex energies can provide portals to new insights People tend to be drawn to upflow areas to feel the exhilaration of tapping those dimensions beyond What they are also craving in many cases without even realizing it is to escape the worries hurts angers and fears created by the Limbic Brain The Soul shift technique contained in this book makes tapping the vortexes easier primarily because it gets the meditator out of their limbic brain focus It allows you to create an inner upflow vortex where ever you are The brain science technique for natural mood elevation contained in my book Access Your Brain s Joy Center soon also available as an e book teaches how to counter limbic brain effects anywhere anytime without having be in a meditative state That makes it possible to self generate that inner upflow effect in ALL of life eyes open moving etc As you read through this book see the bigger picture Imagine having the ability to live accessing ALL of your dimensions beyond and ALL your spiritual skills without having to physically be in the enhanced energy sites Enjoy exploring the unlimited potentials that ARE your birthright As a Free Soul **Sedona's Vortex** J. T. Mattison, 2014-06-30 This book is about examining the possible reasons behind the vortex claims Is it simply to attract tourist to visit the area Is it real What kind of scientific evidence is there for these claims Is it physiological and simply just the power of suggestion I am going to approach this subject with an open mind Examining the geology magnetism measurements topography physiology and yes even the finical gain to the Sedona area for giving tourist claims of the vortex
