Seduction Surrender:

Surrender/Seduction Amanda Quick, 2013-07-17 New York Times bestselling author Amanda Quick's first two romance novels *Seduction* and *Surrender*. *Seduction* Townsfolk called him devil. For dark and enigmatic Julian Earl of Ravenwood was a man with a legendary temper and a first wife whose mysterious death would not be forgotten. Some said the beautiful Lady Ravenwood had drowned herself in the black murky waters of Ravenwood Pond. Others whispered of foul play and the devil's wrath. Now country bred Sophy Dorrington is about to become Ravenwood's new bride. Drawn to his masculine strength and the glitter of desire that burned in his emerald eyes, the tawny haired lass had her own reasons for agreeing to a marriage of convenience. One was vengeance and in its pursuit she would entangle Julian in a blackmail plot, a duel at dawn and a dangerous masquerade. The other reason was dearer to her heart but just as wild: a quest. Sophy Dorrington intended to teach the devil to love again. *Surrender* From the dazzling ballrooms of glittering London society to magnificent cursed estate in the distant wilds of Yorkshire comes the deliciously wicked story of a thoroughly unconventional courtship and a thrilling midnight rendezvous that could only lead to love. At four and twenty Victoria Huntington thought herself quite adept at fending off fortune hunters until she came under siege from Lucas Colebrook, the darkly disturbing new Earl of Stonevale. Amidst the brightly plumed birds of the town, Lucas was a hawk. And when he held out the lure of moonlit rides and wild reckless midnight escapades, Victoria found herself powerless to resist. But becoming Stonevale's companion in adventure was far more dangerous undertaking than Victoria could ever imagine. For the attractive Earl would use her every weakness to woo her to win her and ultimately to wed her. And soon the amber eyed lady would find herself ensconced in a crumbling mansion deep in the English countryside where the real reason for her hasty marriage becomes all too apparent and where the ghosts of her dark stained past are waiting to rise up in a terrifying plot that will threaten her life, her honor and the only man she could ever love.

The String Quartet Jos Langens, 2021-12-01 Have you ever thought about how you as a human being are part of a species that makes the fate of all other living things entirely subservient to its own needs and uses its fellow inhabitants purely to meet those needs What would happen if that were to change What would happen if people chose to exchange that which makes them human for something else That's what seems to be happening in *The String Quartet* A string of seemingly inexplicable events gradually reveals how our anthropocentric way of life is about to be fundamentally and irrevocably changed Classical string quartet music plays a central role in these events How do these situations arise and what is the driving force behind the sometimes irrational choices people make or seem to make of their own free will The events described in *The String Quartet* and the resulting choices people make invite you as a reader to reflect on your own situation and how you lead your life What choices have you made and what choices will you make in the future And how sure are you that those choices are yours
