T. Winsor,2009-10-20 The instructional framework presented in this book is intended to help teachers provide all young children but especially English language learners with rich meaningful and interactive literacy instruction Referred to as LEALE the instruction is grounded in the traditional Language Experience Approach LEA It has been expanded to encompass principles and practices of research based early literacy instruction as understood and presented in current professional literature The approach is presented in an attractive easily understood style that invites both beginning and experienced teachers to engage their students in literacy The LEALE instructional framework presented here grew out of the many happy hours that the author spent working with children and their teachers over the years Included are pictures and examples of classroom materials chart stories and journals from children in Belize Central America and children in urban centres in Alberta Canada Teaching Early Writing and Reading Together Connie Campbell Dierking,2013-01-01 The writing reading connection means more than having your students write under the influence of literature that they have read Noted author and educator Connie Campbell Dierking shows you how to develop a literacy connected classroom including using oral storytelling to scaffold primary reading and writing She supplies more than 50 mini lessons organized by their classroom function to help you explicitly teach foundational literacy skills during writer s workshop or whole class and small group reading instruction Dierking encourages you to make the most of the writing reading connection by thinking about some basic questions when you re crafting your literacy instruction How can I connect the conversations in reading and writing workshop What can I learn about the readers in my classroom through their writing What can my students learn about reading through writing How can I teach young writers to support their readers How can I teach readers how to use a writer s supports intentionally Transform your K 2 literacy instruction Teach writing and reading together **Read! Read! Read!** Laurie Glass,Beth Pike,Linda Peist,2000-05-09 This book outlines a program to address a need among educators to involve parents in the process of helping their children learn to read and write Although the at risk reader is provided with supplemental support at school additional reinforcement is needed from home to maximize children s learning potential While much has been written about how parents should read aloud to their children this book goes beyond other publications by supplying the educator with a structured program that trains parents to implement a variety of techniques The authors

encourage parents to truly participate in their children's literacy development armed with a knowledge of the reading process and aware of their invaluable role. The chapters contain a framework of concrete information that will guide educators in the most successful way to involve and train parents. Included are background knowledge and tools that professionals will need to run their own series of parent workshops. Specific workshop agendas and all supporting information are presented in a manner easily adaptable for the specific needs of various education situations. This book can be used by primary educators, special education teachers, reading specialists, Reading Recovery™ leaders and teachers, curriculum supervisors, principals, education majors in college, parents who homeschool and anyone else who wants to learn how to successfully integrate parents into the development of children's literacy.
