Dickinson, Robert K. Schaeffer, 2015-12-03 Bringing feminist and world systems theories together this analytic anthology examines the rise of intersecting women centered movements that contribute to alternative development and the rise of new societies The authors consider feminist movements and humanistic transformations that create new work and market relations promote democracy and equality redefine gender and sexuality regenerate the environment and construct nonviolent and peaceful relations At the end of each chapter articles by feminist theorists and practitioners on these topics are included to illustrate the analysis Using a global historical framework the book shows how diverse multicultural and international feminist ideas can be brought together to provide a comprehensive and differentiated understanding of change

Reader's Guide to Women's Studies Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors *Fast Forward* Torry D. Dickinson, Robert K. Schaeffer, 2001 This innovative global feminist analysis of work and politics examines the diverse problems and related protests of women and men who labor to make ends meet in a rapidly changing world Using vivid examples from around the world it reveals how globalization is reshaping social institutions and lives *Fast Forward* explores how businesses and states reshaped and redistributed work around the world during the last 30 years of globalization often with adverse consequences Within this fast moving context laboring people today engage in work outside of formal employment try to obtain survival resources mount a diverse array of often women centered protests against firms and states and try on their own terms to reinvent work and democratic political practices Portraying the human face of global change *Fast Forward* shows how overlapping social movements wrestle with economic and political marginalization and initiate highly diverse but related attempts to change the way the world works **The Terror of the Machine** Devon G. Peña, 2014-10-14 Born of thirteen years of field research this interdisciplinary work explores the complex intersections of technology class gender and ecology in the transnational milieu of Mexico's maquiladoras foreign owned assembly plants located along the U S border Devon Peña examines workplace and community struggles from the perspective of the women who work in the maquiladoras He describes the workers struggles for workplace democracy social justice and sustainable development He also observes the circulation of struggle from the factory to the community highlighting the efforts to establish worker owned cooperatives in the border region during the 1970s and 1980s Female maquila workers are typically portrayed as passive apolitical and easily exploited This book

however presents an opposing view investigating the subaltern life of the shop floor the workers informal methods of resistance to hazardous conditions sexual harassment and managerial tyranny Using survey research oral history discourse analysis and site ethnography the author develops a cogent critique of labor process theory a critique grounded on his extensive study of actual workplace politics in the maquiladoras *The Terror of the Machine* is a trenchant analysis of the political cultural and environmental effects of maquila industrialization and an eloquent and persuasive call for alternatives in the direction of ecologically sustainable and culturally appropriate modes of development

Griffiths, 1999-12 This anthology provides students with an understanding of the diversity and complexity of the developing world and acquaints them with the challenges that confront nations as the post Cold War era progresses Peace security international trade debt crisis and the environment are discussed **Changes** Ama Ata Aidoo, 1993 Changes explores the complex world in which the lives of professional working women have changed sharply but the cultural assumptions of men's lives have not Witty and compelling Aidoo's novel according to Manthia Diawara inaugurates a new realist style in African literature Aidoo writes with intense power in a novel that in examining the role of women in modern African society also sheds light on women's problems around the globe Publishers Weekly starred review Suggested for course use in African literature African studies Family Studies Ama Ata Aidoo one of Ghana's most distinguished writers is the author of two other works of fiction Our Sister Killjoy and No Sweetness Here The Feminist Press as well as plays poems and children's books Tuzyline Jita Allan is associate professor of English at Baruch College CUNY Chicano Culture, Ecology, Politics Devon G. Peña, 1999-01-01 Until recently mainstream American environmentalism has been a predominantly white middle class movement essentially ignoring the class race and gender dimensions of environmental politics In this provocative collection of original essays the environmental dimensions of the Chicana/o experience are explicitly expressed and debated Employing a variety of genres ranging from poetry to autobiography to theoretical and empirical essays the voices in this collection speak to the most significant issues of environmentalism and social justice recognizing throughout the need for a pluralism of Chicana/o philosophies The contributors provide an excellent basis for understanding how multiple Chicana/o views on the environment play out in the context of dominant social political and economic views Chicano Culture Ecology Politics examines a number of Chicana/o ecological perspectives How can the ethics of reciprocity present in Chicana/o agropastoral life be protected and applied on a broader scale How can the dominant society whose economic structure is invested in placeless mobility take note of the harm caused to land based cultures take responsibility for it and take heed before it is too late Will the larger society be ecologically housebroken before it destroys its home Grounded in actual political struggles waged by Chicana/o communities over issues of environmental destruction cultural genocide and socioeconomic domination this volume provides an important series of snapshots of Chicana/o history Chicano Culture Ecology Politics illuminates the

bridges that exist and must be understood between race ethnicity class gender politics and ecology
