Madigan, Sampson Lee Blair, 2025-05-21 Chapters cover topics such as family economic and cultural resources and school performance and attainment of students family multilingualism and academic success family stressors and education valuation of higher education versus employment and family contestations of public schooling and its policies and curriculum among others

Postcolonial Surveillance Anouk Madörin, 2022-09-08 Postcolonial Surveillance investigates the long history of the European border regime focusing on the colonial forerunners of today's border technologies The book takes a longue durée perspective to uncover how Europe's colonial history continues to shape the high tech political present and has morphed into EU border migration policies border security and surveillance apparatuses It exposes the racial hierarchies and power relations that form these systems and highlights key moments when the past and present interact and collide such as in panoptic surveillance biopolitical registers biometric sorting and deterrent media infrastructure The technological genealogies assembled in this book reveal the unacknowledged histories that had to be rejected for the seemingly clean unbiased and neutral technologies to emerge as such

*Social Psychology* Kopano Ratele, Norman Duncan, 2003 Using current socio political thought and research this book examines topics such as violence social and political transition race and racism and sexualities Theoretical and empirical research are related to topical problems highlighting the complex relations of individuals to their societies and to one another The histories and complexities of problems and their interconnectedness are examined and possible solutions are suggested Special attention is paid to class sexuality gender and race making psychology in general and social psychology in particular relevant and exciting

Maid in the USA Mary Romero, 2016-05-13 This is a classic work in the fields of Women's Studies and Sociology On its 10th Anniversary it is still a vital and moving study of the lives of immigrant domestic workers and is constantly cited in the research Romero's new introduction will offer a fresh look at the material including more recent events proving that

the issues discussed in the book are still very relevant to today's world      *Sociology After Bosnia and Kosovo* Keith Doubt, 2000 This book provides a sociological account of the events in Bosnia in the 1990s including ethnic cleansing mass rape and the role of political journalists Drawing upon a diverse group of social theorists including Merton Weber and Baudrillard *Sociology After Bosnia* constructs a social understanding of the experiences of people in Bosnia and the response of Western leaders to these experiences Beyond looking at the social causes of these events Doubt sheds light on why Bosnia and Kosovo have largely been ignored by sociologists He shows why the personal and social tragedies of people in Bosnia and Kosovo and the world's tolerance of these tragedies challenge contemporary sociological knowledge Doubt argues that sociologists must be willing not only to recognize this challenge but also to respond to it in order to construct meaningfully adequate accounts of war and genocide in a postmodern era Doing so he contends may yield an important and needed reconsideration of the existing body of sociological knowledge and a revision of how this knowledge is applied      **Japanese**

**Diasporas** Nobuko Adachi, 2006-10-03 *Japanese Diasporas* examines the relationship of overseas Japanese and their descendants Nikkei with their home and host nations focusing on the political social and economic struggles of Nikkei Frequently abandoned by their homeland and experiencing alienation in their host nations the diaspora have attempted to carve out lives between two worlds Examining Nikkei communities and Japanese migration to Manchuria China Canada the Philippines Singapore and Latin America the book compares Nikkei experiences with those of Japanese transnational migrants living abroad The authors connect theoretical issues of ethnic identity with the Japanese and Nikkei cases analyzing the hidden dynamics of the social construction of race ethnicity and homeland and suggesting some of the ways in which diasporas are transforming global society today Presenting new perspectives on socio political and cultural issues of transnational migrants and diaspora communities in an economically intertwined world this book will be of great interest to scholars of diaspora studies and Japanese studies      **Intelligent Data analysis and its Applications, Volume II**
