Citándote con tu enemiga Cayetano Roberto Campisi, Las citas románticas han sido desde siempre el preludio novelesco de verdaderos vínculos amorosos como así también de encuentros fugaces tanto exitosos como frustrados y que suelen ser matizados por las luces de las velas por una gastronomía estimulante por un escenario pasional o por una charla dirigida tanto a convencer como a reprimir o evaluar las distintas propuestas intimistas de sus protagonistas Una cita en el ámbito que fuere ya sea en un espacio público en un restaurante o en la propia casa de uno de los implicados representa un verdadero examen para saber si fulano o mengano posee las características requeridas fundamentalmente por las féminas o el estándar apropiado para aceptar las formulaciones que el prospecto aventurado le está insinuando a su víctima Este libro intenta aportar definiciones consignas y consejos para que el hombre pueda desenvolverse con cierta soltura en una cita con una dama tratando de resolver con aciertos y de manera efectiva a las llamadas pruebas de mierda que la mujer que tiene enfrente le ha de imponer Una obra que detalla hasta el mínimo detalle las distintas variables que se ponen en juego cuando el varón tiene que dar el examen de su vida
