Looking Backward From The Year :

Looking Backward: 2000-1887 Edward Bellamy, 2016-01-04 Edward Bellamy was a popular American author known for his socialist thinking and his utopian book *Looking Backward* which starts in the future year of 2000 and goes backwards

Looking Backward Edward Bellamy, 2017-01-13 Edward Bellamy was an influential American author and socialist in the late 19th century Bellamy is most famous for the utopian novel *Looking Backward* which led to the formation of many Nationalist Clubs that were dedicated to the political ideas he portrayed *Looking Backward* published in 1888 is considered one of the only books in history that led to an immediate political mass movement The book tells the story of a young American man named Julian West who falls into a deep sleep and wakes up in the year 2000 *Looking Backward, 2000-1887* Edward Bellamy, 2017-01-30 Edward Bellamy's *Looking Backward* belongs to the well known tradition of utopian fiction That is fiction that attempts to portray an ideal human society from the author's point of view In this vision the ideal society is one where the government remains a respected powerful force of social order Bellamy's vision was of a modern society free from social ills competition and protected and cared for by the state It was in stark contrast to the excessive Gilded Age of his day This may have been one of the reasons for the book's tremendous success This edition includes a specially written Foreword by scholar Solomon James NOTE This edition by Azafran Books was published in February 2017 and has been edited and formatted by a team of dedicated real people not an algorithm Our books have been carefully published to the highest of standards **Looking Backward** Edward Bellamy, 2000-09 Set in Boston on December 26 2000 but written before the turn of the nineteenth century this classic Utopian novel is more significant and relevant than ever with its reappearance this millennium Addressing moral and material concerns of late nineteenth century industrial America through romantic narrative Bellamy suggests a fictionalized society in which war poverty and malice do not exist Looking Backward, 2000 To 1887 Edward Bellamy, 2018-04-08 It is the year 2000 and full employment material abundance and social harmony can be found everywhere This is the America to which Julian West a young Bostonian awakens after more than a century of sleep West's initial sense of wonder his gradual acceptance of the new order and a new love and Bellamy's wonderful prophetic inventions electric lighting shopping malls credit cards electronic broadcasting ensured the mass popularity of this 1888 novel But however rich in fantasy and romance *Looking Backward* is a passionate attack on the social ills of nineteenth century industrialism and a plea for social reform and moral renewal In her introduction Cecelia Tichi discusses how the novel echoes the anguish and hopes of its own age while it embodies a sustaining myth of the American literary tradition that man's perfectibility is attainable in the New World *Looking Backwards* Edward Bellamy, 2018-09-05 The book tells the story of Julian West a young American who towards the end of the 19th century falls into a deep hypnosis induced sleep and wakes up one hundred and thirteen years later He finds himself in the same location Boston Massachusetts but in a totally changed world It is the year 2000 and while he was sleeping the United States has been

transformed into a socialist utopia The remainder of the book outlines Bellamy's thoughts about improving the future The major themes include problems associated with capitalism a proposed socialist solution of a nationalisation of all industry the use of an industrial army to organize production and distribution as well as how to ensure free cultural production under such conditions The young man readily finds a guide Doctor Leete who shows him around and explains all the advances of this new age including drastically reduced working hours for people performing menial jobs and almost instantaneous Internet like delivery of goods Everyone retires with full benefits at age 45 and may eat in any of the public kitchens The productive capacity of America is nationally owned and the goods of society are equally distributed to its citizens A considerable portion of the book is dialogue between Leete and West wherein West expresses his confusion about how the future society works and Leete explains

Looking Backward, 2000-1887 Edward Bellamy, 2004-04 First published in 1888 and a phenomenal best seller Looking Backward is Edward Bellamy's utopian novel about nineteenth century Bostonian who awakes after a sleep for more than one hundred years to find himself in the year 2000 in a world of near perfect cooperation harmony and prosperity More than just a fanciful novel Looking Backward was in effect Bellamy's blueprint for a socialist type state conceived in response to problems of the Gilded Age brought on in part by the pace of the late nineteenth century industrialization The novel had an enormous impact at the time of its publication setting in motion a wave of reform activity and creating a vogue for utopian novels that continued over the next three decades In addition to an extensive introduction Daniel Borus's new edition of Looking Backward contains a chronology of Bellamy's life a bibliography questions to consider when reading the novel and an index

Looking Backward, 2000-1887 - Primary Source Edition Edward Bellamy, 2013-09 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

Looking Backward Edward Bellamy, 1960-08-01 Stimulating thought provoking utopian fantasy about a young man who's put into a hypnotic trance in the late 19th century and awakens in the year 2000 to find crime war and want non existent

Looking Backward, 2000 to 1887 Edward Bellamy, 2019-07-31 One of the best selling books of its era Looking Backwards presents a science fiction influenced twist on standard political philosophy In the novel protagonist Julian West finds himself transported to twenty first century America which has become a socialist utopia With all the talk in the media about socialism these days Looking Backwards offers a fascinating glimpse into the origins of the socialist school of thought

Looking Backward From the Year 2000 Mack Reynolds, 2011-09-29 They put him into a hypnotic trance in a sealed room to cure him Then the house burnt down and he was forgotten Until he awoke forty years later and could not dare not believe what he saw

Edward Bellamy, 2021-10-13 Living as we do in the closing year of the twentieth century enjoying the blessings of a social order at once so simple and logical that it seems but the triumph of common sense it is no doubt difficult for those whose studies have not been largely historical to realize that the present organization of society is in its completeness less than a century old No historical fact is however better established than that till nearly the end of the nineteenth century it was the general belief that the ancient industrial system with all its shocking social consequences was destined to last with possibly a little patching to the end of time How strange and wellnigh incredible does it seem that so prodigious a moral and material transformation as has taken place since then could have been accomplished in so brief an interval The readiness with which men accustom themselves as matters of course to improvements in their condition which when anticipated seemed to leave nothing more to be desired could not be more strikingly illustrated What reflection could be better calculated to moderate the enthusiasm of reformers who count for their reward on the lively gratitude of future ages *Looking Backward and Equality* Edward Bellamy, 2016-11-10 Edward Bellamy was an influential American author and socialist in the late 19th century Bellamy is most famous for the utopian novel Looking Backward which led to the formation of many Nationalist Clubs that were dedicated to the political ideas he portrayed Looking Backward published in 1888 is considered one of the only books in history that led to an immediate political mass movement The book tells the story of a young American man named Julian West who falls into a deep sleep and wakes up in the year 2000 Equality published in 1897 is the sequel novel to Looking Backward The book expands on the ideas Bellamy first discussed in Looking Backward **Looking Backward**

Edward Bellamy, 2018-04-07 Set in Boston on December 26 2000 but written before the turn of the nineteenth century this classic Utopian novel is more significant and relevant than ever with its reappearance this millennium Addressing moral and

Looking Backward 2000 1887 is the highly influential work of utopian science fiction by American journalist Edward Bellamy In the years following the American Civil War a growth in inequality led to an increase in social and economic turmoil The rise of ever larger and less competitive firms was causing wages to stagnate and created an appetite amongst the populace for solutions to help mitigate the negative effects of an unrestrained and increasingly plutocratic form of capitalism This appetite gave rise to a popular new literary genre the utopian socialist novel of which Looking Backward is arguably one of the most famous examples of It is the story of young Julian West who is induced by hypnosis into a deep 113 year sleep When he awakes in the year 2000 he finds that America has been transformed into a socialist utopia Upon waking West readily encounters Doctor Leete who explains to him what has transpired since he has slept Society through a combination of technological advancement and the nationalization of the productive capacity of the United States has become a world in which people work together in mutual cooperation and harmony Looking Backward was one of the best selling novels of the 19th century one which would inspire a large number of people to promote more socialistic public policies This edition is printed on premium acid free paper and includes an introduction by Sylvester Baxter **Edward Bellamy** Edward Bellamy,2016-08-19 The book tells the story of Julian West a young American who towards the end of the 19th century falls into a deep hypnosis induced sleep and wakes up one hundred and thirteen years later He finds himself in the same location Boston Massachusetts but in a totally changed world It is the year 2000 and while he was sleeping the United States has been transformed into a socialist utopia The remainder of the book outlines Bellamy s thoughts about improving the future The major themes include problems associated with capitalism The young man readily finds a guide Doctor Leete who shows him around and explains all the advances of this new age including drastically reduced working hours for people performing menial jobs and almost instantaneous Internet like delivery of goods The goods of society are equally distributed to its citizens A considerable portion of the book is dialogue between Leete and West wherein West expresses his confusion about

how the future society works and Leete explains

Looking Backward From The Year Introduction

In today's digital age, the availability of Looking Backward From The Year books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Looking Backward From The Year books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Looking Backward From The Year books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Looking Backward From The Year versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Looking Backward From The Year books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Looking Backward From The Year books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Looking Backward From The Year books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Looking Backward From The Year books

and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Looking Backward From The Year books and manuals for download and embark on your journey of knowledge?
