

Louis And Antoinette

Nesta H. Webster

Louis And Antoinette:

Louis XVI, Marie Antoinette, and the French Revolution Nancy Plain, 2002 Examines the reign of Louis XVI and Marie Antoinette including information about their personal lives and accomplishments and everyday life in Revolutionary France

The Private Life of Marie Antoinette ... Mme Campan (Jeanne-Louise-Henriette), 1883 *Marie Antoinette. [Illustr.]* (1. Publ. in Great Britain.) Desmond Seward, 1981

Marie Antoinette Stefan Zweig, 2002 Life at the court of Louis XVI and Marie Antoinette has long captivated readers drawn by accounts of the intrigues and pageantry that came to such a sudden and unexpected end Stefan Zweig's Marie Antoinette The Portrait of an Average Woman is a dramatic account of the guillotine's most famous victim from the time when as a fourteen year old she took Versailles by storm to her frustrations with her aloof husband her passionate love affair with the Swedish Count von Fersen and ultimately to the chaos of the French Revolution and the savagery of the Terror An impassioned narrative Zweig's biography focuses on the human emotions of the participants and victims of the French Revolution making it both an engrossingly compelling read and a sweeping and informative history Certainly no one can arise unmoved from the reading of this powerful work The New Republic Excellent biography The New York Times

Louis Xvi and Marie Antoinette Before the Revolution Nesta H. Webster, 2013-10 This is a new release of the original 1936 edition

Marie Antoinette Stefan Zweig, 2017-05-02 The most influential biography of Marie Antoinette Guardian Bids fair to be the definitive life of that tragic queen New York Times International Bestseller One of the great writers of the 20th century paints a vivid portrait of one of the most famous complex and controversial characters in European history Stefan Zweig based his biography of Marie Antoinette who became the Queen of France at the age of fifteen on the correspondence between her and her mother and her great love the Count Axel von Fersen Zweig analyzes the chemistry of a woman's soul from her intimate pleasures to her public suffering as a Queen under the weight of misfortune and history Zweig describes Marie Antoinette in the King's bedroom in the enchanted and extravagant world of the Trianon and with her children And in his account of The Revolution he describes her resolve during the failed escape to Varennes her imprisonment in the Conciergerie and her final tragic destiny under the guillotine Stefan Zweig's account has been the definitive biography of Marie Antoinette since its publication inspiring Antonia Fraser and the recent film adaptation

The Death of Royalty Charles River Editors, 2025-05-06 I die perfectly innocent of the so called crimes of which I am accused I pardon those who are the cause of my misfortunes Louis XVI Louis XVI is one of the most famous Kings of France but for reasons he would have much rather avoided Coming of age in the wake of the reign of the Sun King Louis XIV and his father Louis XV Louis XVI initially intended to be one of France's most enlightened Kings Instead he was destined to be the only French King ever executed Indeed it is his death and his role in fomenting the French Revolution along with his infamous Queen Marie Antoinette that continue to play the central role in Louis XVI's legacy The abrupt demise of Louis XVI and his reign capped a tumultuous but important historical period for both France and the rest of

the world It was Louis XVI s wish to reform France in the mold of the Enlightenment and his failure to push those reforms against a reluctant aristocracy that emboldened and spurred those who would rebel against him At the same time his support for the American cause during the American Revolution in the 1770s was integral in securing that nation s freedom and further adding to France s financial woes Ironically France s role in assuring the success of the American Revolution provided a hopeful example for those who would overthrow him less than 15 years later The same cautious conservatism that marred his reign in the eyes of so many ultimately led to the chain of events that made him a victim of the guillotine With French society in open revolt by the late 1780s the King appeared indecisive at a number of crucial moments including during a famous attempted escape that was thwarted at Vergennes and he had to literally run for his life when a mob stormed the royal palace at Tuileries Soon after he was stripped of his dignity and his royal name convicted of high treason in a sham trial as Citizen Louis Capet Ironically in death some historians have asserted that his execution and the sympathy it engendered helped bring about the Restoration a generation later Throughout history a countless number of historical figures have had their lives overshadowed by the myths and legends that surround them to the extent that their legacy comes to define them In French history this is truer of Marie Antoinette than just about everyone else Nearly 220 years after she was put to the guillotine Marie Antoinette is more famous than ever fairly or unfairly coming to epitomize royalty and everything that was wrong with it As France slid toward its own Revolution rumors and innuendo against the queen took hold and she was accused of being promiscuous and even defrauding a jeweler in what became known as the Diamond Necklace Affair Though the rumors had no basis in truth they were widely accepted and eventually used as partial justification for her execution By 1792 with the Revolution in full swing the Royal Family s attempt to escape Paris was thwarted and in January 1793 Louis XVI lost his head at the hands of the Jacobins With her own health failing the Queen herself was tried the following October accused of sexually abusing the sickly Dauphin Given that she had spent the last few years of her life carefully doting on her children at the expense of almost everything else it was a particularly heinous accusation On October 16 1793 Antoinette herself was executed at the guillotine Since her death Marie Antoinette has been the subject of sharp historical debate over whether she was actually a catalyst in the French Revolution or simply an insignificant scapegoat who was unfairly made a target At the same time the one thing everybody associates with Antoinette is the phrase Let them eat cake a spoiled and ignorant comment supposedly made in response to being informed that the peasants had no bread
