Congress. Copyright Office,1978 **Frank Porter Graham and the 1950 Senate Race in North Carolina** Julian M. Pleasants,Augustus M. Burns III,2017-03-01 The tumultuous North Carolina Senate primaries of 1950 are still viewed as the most bitter chapter in the state s modern political history The central figure in that frenzied race was the appointed incumbent Frank Porter Graham former president of the University of North Carolina 1931 49 and liberal activist of national stature As a Senate candidate Graham was unrelentingly attacked for both his social activism and his racial views and the vicious tactics used against him shocked his supporters and alarmed national observers Peeling away the myths that have accumulated over the years the authors present the first thoroughly researched account of Graham s eventual defeat by Raleigh attorney Willis Smith The result a balanced study of North Carolina politics at mid century is a convincing explanation of the 1950 election Using the campaign as a prism the authors assess the factional struggles within the state showing that Graham was defeated by a massive loss of support among white voters in eastern North Carolina The principal force behind this switch was the fear promulgated by the Smith campaign that a vote for Graham was a vote to end statutory segregation in North Carolina The authors also offer the fullest portrait to date of Frank Porter Graham as political candidate and social reformer They examine his career as an educator and public activist the steps that led to his unorthodox appointment and his strengths and weaknesses as a political candidate **Frank Porter Graham and the 1950 Senate Race in North Carolina** is based on manuscript materials never before examined on interviews with more than 50 campaign participants and associates of both Graham and Smith and on a thorough analysis of newspaper coverage and campaign literature Originally published in 1990 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **The 22nd Michigan Infantry and the Road to Chickamauga** John Cohassey,2019-01-14 Called upon to take a hill at the 1863 Battle of Chickamauga the untested 22nd Michigan Infantry helped to save General George H Thomas right flank Formed in 1862 the regiment witnessed slavery and encountered runaways in the border state of Kentucky faced near starvation during the siege of Chattanooga and marched to Atlanta as General Thomas provost guard This history explores the 22nd s day to day experiences in Kentucky Tennessee and Georgia The author describes the challenges faced by volunteer farm boys shopkeepers school teachers and lawyers as they faced death disease and starvation on battlefields and in Confederate prisons **The "Immortal Six Hundred" and the Failure of the Civil War POW Exchange Process** John F. Schmutz,2024-11-22 Compounding the devastating tragedy of the Civil War was the failure of the warring parties to maintain a system for exchange of prisoners of war rather than imprisoning combatants for the duration This failure added at least 56 000 deaths to those accumulating on the battlefield and caused the untold suffering of many thousands more This book focuses on 600 Confederate officers made prisoners of war who were dispatched to Charleston Harbor to act as human

shields and were subsequently imprisoned elsewhere and deliberately starved nearly to death These actions were the result of the breakdown of the exchange cartel as well as the retaliation policies promoted by the Secretary of War and the Lincoln administration
