## **Love And Mr Lewisham And Marriage:**

*Love and Mr. Lewisham and Marriage* H.g. Wells, 2014-03 This Is A New Release Of The Original 1900 Edition      *Love and Mr. Lewisham* Herbert George Wells, 1999      *Love and Mr Lewisham* H. G. Wells, 2021-11-13 *Love and Mr Lewisham* H G Wells *Love and Mr Lewisham* is a 1900 novel set in the 1880s by H G Wells It was among his first fictional writings outside the science fiction genre Wells took considerable pains over the manuscript and said that the writing was an altogether more serious undertaking than I have ever done before He later included it in a 1933 anthology *Stories of Men and Women in Love* Events in the novel closely resemble events in Wells s own life According to Geoffrey H Wells referring to the question of autobiography in fiction H G Wells has somewhere made a remark to the effect that it is not so much what one has done that counts as where one has been and the truth of that statement is particularly evident in this novel Both Mr Lewisham and Mr Wells were at the age of eighteen assistant masters at country schools and that three years later both were commencing their third year at The Normal School of Science South Kensington as teachers in training under Thomas Henry Huxley The account of the school of the students there and of their social life and interests may be taken as true descriptions of those things during the period 1883 1886      *Modern Marriage and Its Cost to Women* François de Singly, 1996 This book examines the price women have to pay for marriage socially and culturally Its basic premise unites feminist theory and the work of Pierre Bourdieu and is supported by data from the numerous quantitative and qualitative studies that have been carried out in France      *A Marriage Sourcebook* J. Robert Baker, Joni Reiff Gibley, Kevin Charles Gibley, 1994 The Sourcebook series of anthologies gathers prose and poetry hymns and prayers from various times and traditions all centered on a particular theme from the seasons of the church year to the foundational moments in the life of a Christian Each collection offers a treasury of wisdom for use in homilies prayer services and personal meditation      *The Academy* , 1900

*The Spinster and the Prophet* Brian McKillop, 2011-11-30 Winner of the UBC Medal for Biography and shortlisted for the Drainie Taylor Biography Prize The prolific novelist and social prophet H G Wells had a way with words and usually he had his way with women That is until he encountered the feisty Toronto spinster Florence Deeks In 1925 Miss Deeks launched a 500 000 lawsuit against Wells claiming that in an act of literary piracy Wells had somehow come to use her manuscript history of the world in the writing of his international bestseller *The Outline of History* a work still in print today Thus began one of the most sensational and extraordinary cases in Anglo Canadian publishing and legal history In this riveting literary whodunit A B McKillop unfolds the parallel stories of two Edwardian figures and the ambition to capture the sweep of history that possessed them both H G Wells was the celebrated writer of autobiographical fiction and futuristic fantasy who at the end of the Great War preached the need for a global world order Florence Deeks was a modest teacher and amateur student of history who intended to correct traditional scholarship s neglect by writing an account of civilization that stressed the contributions of women Her manuscript was submitted to the venerable Macmillan Company in Canada but was rejected and

never published Wells's opus completed in an astonishingly short period was released by the same firm in North America the year following. As the mystery deepens and new evidence is revealed, it seems that the verdict of the courts in Deeks vs Wells may not be that of history. The cast of characters is as intriguing as it is wide in Canada, the United States, and England: renowned publishers and editors, eminent lawyers and judges, leading journalists, and all seeing office secretaries. Not all it turns out, merited their reputations. Above all, the tale embraces the lives of the philandering Mr Wells, his wife, and his mistresses, and the scarcely noted Miss Florence Deeks, her family, her life's work, and her search for justice.

**Late Victorian Britain 1875-1901** J.F.C. Harrison, 2013-06-17 Drawing heavily on the recollections and literature of the people themselves, Harrison places late Victorian Britain firmly in its social and political context. *Spiritualism and Women's Writing* T. Kontou, 2009-08-26 Using a wide range of unexplored archival material, this book examines the spectral influence of Victorian spiritualism and Psychical Research on women's writing, analyzing the ways in which modern writers have both subverted and mimicked nineteenth century sources in their evocation of the 's' ance.
