Love And The Land Beyond:

For Love of the Land Lois Christiansen Eagleton, 2008-11 Mildred Kanipe was a strong willed woman with set ideas Nobody told her what to do or how to do it When they tried she just smiled and said That s interesting and went ahead and did it her way Mildred carried a pistol except when she was at home on the ranch There she carried a 30 30 rifle She never married and except for an occasional hired hand she ran her almost 1 100 acre ranch by herself All who knew her agree she was an unforgettable character When she died she left her beloved ranch the part her family had owned and farmed for over one hundred years and that she had purchased with her own hard work to the people of Douglas County Oregon for a park This is the story of Mildred the history of the land she loved and the people who came before and after her **The Land Beyond** J.H.E. Lim, 2020-03-24 The Land Beyond is a contemporary fantasy set in the twenty first century This is the second book of The Land series Readers see Josie the protagonist pursuing more unusual adventures in the lands beyond Parallel to her adventures is Josie s interaction with the other characters in the story She discovers as she grows older that friendship love and trust are never constant Attitudes and lifestyles also change In her interaction with others there are moments when Josie realises that she must make choices This causes her to re think her relationship with some of the people she interacts with **Love and the Land Beyond** James Leasor, 1979-01-01 The Land Beyond Leon McCarron, 2020-08-06 SHORTLISTED FOR THE ADVENTURE TRAVEL BOOK OF THE YEAR AT THE EDWARD STANFORD TRAVEL WRITING AWARDS There are many reasons why it might seem unwise to walk mostly alone through the Middle East That in part is exactly why Leon McCarron did it From Jerusalem McCarron followed a series of wild hiking trails that trace ancient trading and pilgrimage routes and traverse some of the most contested landscapes in the world In the West Bank he met families struggling to lead normal lives amidst political turmoil and had a surreal encounter with the world s oldest and smallest religious sect In Jordan he visited the ruins of Hellenic citadels and trekked through the legendary Wadi Rum His journey culminated in the vast deserts of the Sinai home to Bedouin tribes and haunted by the ghosts of Biblical history The Land Beyond is a journey through time from the quagmire of current geopolitics to the original ideals of the faithful through the layers of history culture and religion that have shaped the Holy Land But at its heart it is the story of people not politics and of the connections that can bridge seemingly insurmountable barriers The Land Beyond the Green Fields Joan Campbell, 2007-11-05 Thomas cannot live with his terrible secret As he heads away from all that he knows and all that he loves he has the word BETRAYAL engraved upon his every thought How could his mother do this to him His beliefs force him on to seek a land he is assured does not exist this side of death That decision sets in motion a series of events that allows evil to encompass what is left behind allows those whom he loves to be cruelly tested His is a learning journey that brings love and hate despair and joy in equal measure mixed with adventures beyond his imagination shared by a travelling companion whose loyalty is all that matters in this quest His troubled mother and his autocratic mentor wait at home with the news that

will free him from all anxiety Will those who follow in his footsteps find him Will he make it back home to a heroes welcome or spring the trap that is set to destroy him Read on and find out

The Land Beyond the Horizon - An African Mystic Play and Poetry Mark O'Doherty, 2014-02 The Land beyond the Horizon is a mystic play conveying respect and understanding for diversity of religion philosophy and spirituality It also contains elements of Egyptian mythology and Rosicrucian philosophy like the altruistic ideal of Bringing back the Greater Light to humanity _ which is in essence not much different from the ideal of world peace In fact The Land beyond the Horizon in this play symbolises just that the long and difficult journey which humanity still has to travel before global peace can be manifested on a collective macrocosmic level level and also on an individual level The play stipulates the philosophy that Evil exists in this world _ and even in our hearts _ but that we also have the power to vanquish Evil by acting together in solidarity if we are willing to identify and confront that evil The volume also contains poetry where Mark evokes the mystic primordial beauty of Africa taking you on a fantastic journey to the Land Beyond the Horizon
