**Michigan City** RoseAnna Mueller, 2005-06-01 Nestled on the southern most shores of the Great Lakes Michigan City was established in 1836 An abundance of pine and hardwoods gave rise to a thriving lumber industry and by the end of the century Michigan City was one of the largest lumber markets in the state The city's harbor and the arrival of the railroad brought new industry from the manufacture of rail cars to glassmaking and flour mills Michigan City even pitted itself against Chicago in a race to become the major port on Lake Michigan The early twentieth century saw a rise in tourism as lakefront attractions sprang up Excursionists arrived by boat and train for bathing shooting galleries a merry go round and roller coaster and the Oasis Ballroom As a result of the city's dune preservation efforts in the 1960s and 1970s the city

continues as a haven for water sports and a resort for Chicagoans and others in the Midwest Michigan City Marinas Jonita Davis,2009 Since its incorporation Michigan City has appreciated its lakefront assets The point at which Trail Creek collides with Lake Michigan has always been a source of pride for the city s residents However it was not until 1959 that an agency was created to protect and maintain the city s interests at the lakefront Michigan City Marinas chronicles the agency s efforts to realize the potential of one of Lake Michigan s most magnificent ports The people events and other government agencies that helped shape the future of the marinas are explored along with the Michigan City Port Authority s tenacious oversight of the resources and facilities that are still in use today **Michigan City's Washington Park** Jonita Davis,2011-05 The sand dunes stretched higher than many skyscrapers with the remnants of an abandoned lumber industry at their feet The sandy overgrown land was nothing that Michigan City residents cared to develop let alone visit The area was largely forgotten until Mayor Martin Krueger decided that his town would have a park and bathing beach In a few short years the deserted area was transformed into a family amusement center on Lake Michigan s southern shores These beginnings helped shape the Michigan City community However the lakeside park and bathing beach of today barely resemble the famous amusement area of the early 1900s Somewhere along this town s history its greatest asset of that early time its amusement park transformed into a natural beauty that is still treasured by families today though nostalgia remains for the park of the past Michigan City s Washington Parks traces those lost amusement years with images and the complete amazing tale from the building of the large wooden roller coaster with a lake view to the communal turn toward a nature park Michigan City Michigan City Chamber of Commerce,1966 **The Historical Picture Gallery, Or, Scenes and Incidents in American History** John R.
