Premiers Of Queensland

Paul 't Hart, John Uhr

Premiers Of Queensland:

The Victorian Premiers, 1856-2006 Paul Strangio, Brian J. Costar, 2006 In the century and a half since Victoria was granted responsible government in 1856 44 premiers have presided over the state and colony from Honest William Haines to Steve Bracks Here is their story For the first time this book brings together a comprehensive collection of biographical and political portraits of the Victorian premiers written by leading Australian historians and political scientists The result is a compelling journey through a turbulent occasionally anarchic political landscape A cast of fascinating characters is brought to life the mercurial Graham Berry who in the 1870s threatened broken heads and flaming houses in his heroic struggle to tame the colony's intractably conservative upper house the roguish Tommy Bent the turn of the century can-do premier whose development enthusiasms were unhindered by probities of office the bohemian Tom Hollway who conducted Victoria's affairs from his suite in the Windsor Hotel the accidental leader Henry Bolte who became Victoria's longest serving premier and the larrikin metropolitan Jeff Kennett who turned the state into a neo liberal laboratory in the 1990s A tale of premiers the book is also a narrative of politics in a state that has vied with New South Wales as Australia's most prosperous and powerful It recounts many extraordinary episodes the precocious development of democracy in a fledgling colony turned upside down by gold immigrants the titanic bicameral struggles of the 1860s and 1870s that brought Victoria to the brink of insurrection the bank crashes of the 1890s the police strike of 1923 the great Labor split of the 1950s the hanging of Ronald Ryan in 1967 the social democratic adventurism of the Labor decade of the 1980s brought to a shuddering halt by another era of financial collapses and the neo liberal experimentalism of the Kennett government This carefully researched and engagingly written book will leave the reader in no doubt that politics in the Garden State has seldom been sedate and its premiers rarely predictable

A History of Abortion and Contraception in Queensland, Australia, 1960-1989

Cassandra Byrnes, 2024-06-03 This book looks at the recent history of sex contraception and abortion in Australia's most conservative state Queensland In western nations there has largely been a consistent increase in available contraception and access to abortion from the 1960s onwards yet there are a few geographical exceptions that resisted this trend including Queensland Cassandra Byrnes highlights the multifarious ways sexuality and reproduction were continually constructed and challenged during the second half of the twentieth century and follows the responses of key groups to changing laws and attitudes in a time of local and global sexual and social revolutions She explores interactions between identities of gender sexuality class age marital status and geography to illustrate how specific sexed bodies became liminal sites for legal and medical debate This Queensland case study is contextualised within international debates concerning women's reproductive rights and will be of interest to students and scholars interested in the history of reproductive rights gender and sexuality

Struggle Country Graeme Davison, Marc Brodie, 2005 Struggle Country revitalises the field of rural history bringing a nuanced approach to studies of the bush that distinguishes between farmers and country town dwellers and their different

experiences and beliefs **Public Leadership** Paul 't Hart, John Uhr, 2008-11-01 Leadership is routinely admired vilified ridiculed invoked trivialised explained and speculated about in the media and in everyday conversation Despite all this talk there is surprisingly little consensus about how to answer basic questions about the nature place role and impact of leadership in contemporary society This book brings together academics from a broad array of social science disciplines who are interested in contemporary understandings of leadership in the public domain Their work on political administrative and civil society leadership represents a stock take of what we need to know and offers original examples of what we do know about public leadership Although this volume connects scholars living in and mostly working on public leadership in Australia and New Zealand their contributions have a much broader scope and relevance *APAIS, Australian Public Affairs Information Service* ,1995 Vol for 1963 includes section Current Australian serials a subject list **APAIS 1999: Australian public affairs information service** , **Studies in the History of Tax Law, Volume 8** Peter Harris, Dominic de Cogan, 2017-08-10 These are the papers from the 8th Cambridge Tax Law History Conference held in July 2016 In the usual manner these papers have been selected from an oversupply of proposals for their interest and relevance and scrutinised and edited to the highest standard for inclusion in this prestigious series The papers fall within five basic themes Two papers focus on tax theory one on John Locke and another on the impact of English tax literature in the Netherlands in the nineteenth century Five deal with the history of UK specific interpretational issues in varying contexts an ancient exemption insurance companies special contribution the profits tax GAAR and capital gains tax Two more papers consider aspects of HMRC operations Another three focus on facets of international taxation including treaties between the UK and European countries treaties between the UK and developing countries and the UN model tax treaties of 1928 The book also incorporates a range of interesting topics from other countries including the introduction of income tax in Ireland and in Chile post war income taxation in Australia early interpretation of income in New Zealand and a discussion of some early indirect taxes in India and China *Records of the Proceedings and Printed Papers of the Parliament* Australia. Parliament, 1906 **Appendix to the Journals of the House of Representatives of New Zealand** New Zealand. Parliament. House of Representatives, 1897 **Proceedings of the Parliament of South Australia** South Australia. Parliament, 1895 **Encouraging Ethics and Challenging Corruption** Noel Preston, Charles J. G. Sampford, Carmel Connors, 2002 Encouraging Ethics and Preventing Corruption brings theory and practice together in addressing the question How are we to be ethical in public life and through public institutions It is a major contribution to public sector ethics within Australia and internationally because it provides an exhaustive analysis of reform across a decade in one jurisdiction Queensland and then proceeds to itemise a best practice integrity system or ethics regime Drawing on the extensive research of two of Australia's leading practical ethicists this text is essential reading for all students and practitioners of applied and professional ethics in the public sphere Part A of the text provides a preferred theoretical and conceptual framework which

both justifies and guides the development of a public sector ethics regime Part B examines the place of the individual within a world of institutional ethics Part C outlines the Queensland governance reforms introduced since 1989 following the Fitzgerald Inquiry which exposed corruption in the police and ministry The final chapter the Epilogue gathers the insights of earlier chapters and suggests a more explicitly ethics centred approach to governance reform that may take us beyond best practice Clearly while it is the Australian context we have in mind we are confident that this is a text which addresses the quest for integrity and ethics in government wherever society is committed to social and liberal democratic ideals *Official Reports of the Parliamentary Debates* South Australia. Parliament,1921 *Official Reports of the Debates of the House of Commons of the Dominion of Canada* Canada. Parliament. House of Commons,1898 *Peace, Order, and Good Government* Clement Macintyre,John Matthew Williams,John Williams,2003 Fundamental reform of State Constitutions is needed now more than ever Indeed the process is under way in all States and Territories Across Australia there is a growing belief that public institutions must be made more relevant to the needs of an increasingly restless electorate The Constitution of a Federal Commonwealth Nicholas Aroney,2009-02-19 This book describes how ideas about federalism influenced those who drafted the Australian Constitution Joint Volumes of Papers Presented to the Legislative Council and Legislative Assembly New South Wales.
