## **Robin Cook A Critical Companion:**

Robin Cook Lorena Laura Stookey, 1996-09-24 Like Arthur Conan Doyle before him best selling novelist Robin Cook has turned from the practice of medicine to that of writing popular suspense fiction Widely recognized as the Master of the Medical Thriller Cook uses the medium of the popular novel to address a range of social issues environmental pollution gender inequality in the workplace the risks inherent in the common practice of secrecy in science research and above all the ramifications of medicine's transition from profession to corporate industry This study analyzes in turn each of Cook's medical thrillers from *Coma* to *Contagion* Following a biographical chapter the genre chapter examines the ways in which Cook's medical thriller incorporates plotting conventions and strategies borrowed from such popular literary genres as the science fiction novel the murder mystery and the gothic romance Each novel is then examined in a separate chapter with subsections on plot character and theme Stookey also offers an alternative critical approach to the novel which gives the reader another perspective from which to read and discuss the text A complete bibliography of Cook's fiction general criticism and biographical sources and listings of reviews of each novel complete the work The only study of one of America's most popular contemporary novelists read by adults and young adults alike this is a key purchase for schools and public libraries

**Robin Cook** Lorena Laura Stookey, 2002-09-30 The first comprehensive study of the novels of Robin Cook Master of the Medical Thriller *Ernest J. Gaines* Karen Carmean, 1998-07-28 Drawing on his rich Louisiana past Ernest J. Gaines creates a fictional world representative of the human experience His work explores the complex racial relationships so much a part of Southern history and culture and the unwritten and unspoken conventions of caste and class Often structured around journeys of discovery Gaines works affirm the integrity of the individual and the unequivocal place in American life for Americans of African descent This study offers a clear accessible reading of Gaines fiction It analyzes in turn all of Gaines novels as well as his collection of short stories A complete bibliography of Gaines fiction as well as selected reviews and criticism completes the study Following a biographical chapter on Gaines life an overview of his fiction explores his work in light of his literary heritage and use of genre Each of the following chapters examines an individual novel Catherine Carmier 1964 *Of Love and Dust* 1967 *The Autobiography of Miss Jane Pittman* 1971 *In My Father's House* 1978 *A Gathering of Old Men* 1983 *A Lesson Before Dying* 1994 and a collection of short stories *Bloodline* 1968 The discussion of each work includes sections on plot and character development thematic issues and an alternative critical approach from which to read the novel Carmean shows how each of Gaines novels focuses on themes of personal value and place and affirms the need for recognizing the value of the individual regardless of race This study will help readers to understand the compelling issue of human relationships raised by Gaines and to see why he is one of America's finest writers **John Grisham** Mary Beth Pringle, 1997-05-28 With his seven legal thrillers all published since 1989 John Grisham has won a huge following of readers and set a standard few contributors to the genre can match Because of the success of his novels the

legal thriller is the most popular genre in American fiction today In this study Pringle explains how Grisham s legal thriller evolved from the thriller tradition and borrowed from the heroic romance novel gothic novel crime novel and detective fiction She shows how his novels examine contemporary social and legal problems that do not have simple solutions ecology ethnic relations capital punishment corporate greed and health insurance and how he depicts both the legal system and lawyers in their best and worst lights Following a biographical chapter that focuses on Grisham s childhood in Arkansas education political career and development as a writer Pringle examines the legal thriller its antecedents and Grisham s contribution to the genre An individual chapter is devoted to analysis of each of his novels Each chapter synthesizes the novel discusses its reception by critics and features sections on plot development character development social historical context and issues and an alternative critical perspective from which to approach the novel such as psychoanalytic theory or feminist criticism The work includes a complete bibliography of Grisham s work critical sources and list of reviews of all of his novels Because of Grisham s popularity with adults and young adults and the contemporary issues he raises this study is valuable to students book discussion group participants and other interested readers and is an essential purchase for school and public libraries

**Tom Robbins** Catherine E. Hoyser, Lorena Laura Stookey, 1997-10-28 This is the first book length study of the popular novelist Tom Robbins Whimsy and humor characterize Robbins work but style and language are the keystones Hoyser and Stookey show how Robbins deftly uses style and humor to depict the absurdities and injustices of our world His novels constantly challenge perceptions of the world that people automatically label as normal His fiction criticizes the complacency of humans in a world becoming increasingly alienated from nature and the joy of life In addition to a critical analysis of each of his novels the study contains biographical material never before published and the first full length bibliography on Robbins including a bibliography of reviews of his fiction This is the first book length study of the popular novelist Tom Robbins Whimsy and humor characterize Robbins work but style and language are the keystones Hoyser and Stookey show how Robbins deftly uses style and humor to depict the absurdities and injustices of our world His novels constantly challenge perceptions of the world that people automatically label as normal His fiction criticizes the complacency of humans in a world becoming increasingly alienated from nature and the joy of life In addition to a critical analysis of each of his novels the study contains biographical material never before published and the first full length bibliography on Robbins including a bibliography of reviews of his fiction The study features a biographical chapter a chapter on context and style and individual chapters on each of his novels IAnother Roadside Attraction R IEven Cowgirls Get the Blues Still Life with Woodpecker Jitterbug Perfume skinny legs and all R and IHalf Asleep in Frog Pajamas R Each novel is analyzed for plot structure characterization and thematic elements In addition Hoyser and Stookey define and apply an alternative critical perspective from which to read each novel The reading of each of Robbins novels will be enriched by this perceptive study **John**  
**Jakes** Mary Ellen Jones, 1996-11-01 John Jakes often called the people s author and godfather of the historical novel has made

American history come to life in his series *The Kent Family Chronicles* and *The North and South Trilogy*. Through these novels Jakes conveys the sweep of American history both its glory and its grim scenes from the American Revolution to the opening moments of the 20th century. Never glossing over the nation's flaws—slavery, materialism, a double-edged Manifest Destiny—Jakes nevertheless affirms American values. This is the first full-length critical study of his work. It examines in detail Jakes' 13 major novels to date and assesses his methods as America's history teacher. In Part I, following a chapter on Jakes' life, Jones examines the early novels and Jakes' use of the genres of historical fiction, the western, and the historical family saga. Part II, *The Kent Family Chronicles*, devotes an individual chapter to each of the novels in this series: *The Bastard*, *The Rebels*, *The Seekers*, *The Furies*, *The Titans*, *The Warriors*, *The Lawless*, and *The Americans*. Part III, *New Beginnings*, features chapters on *North and South*, *Love and War*, and *Heaven and Hell*, and chapters on *California Gold* and *Homeland*. The examination of each novel in this study includes sections on plot development, character development, and thematic issues. Jones also offers an alternative critical perspective from which to read each novel, such as feminist literary criticism, New Historicism, Marxist criticism, and Deconstructionism, that gives the reader an alternative viewpoint from which to consider the novel. A complete bibliography of all of John Jakes' work, works about John Jakes, and a listing of reviews of all the novels examined in the book concludes the study.

**James Herriot** Michael Rossi, 1997-01-28 This study examines James Herriot's five major books as carefully crafted volumes of autobiography based on the building block of the short story. In each of these works Herriot explores the fundamental choice of values underlying a happy and successful life. In his vision, the bonds of affection and mutual dependence between all creatures, human and animal, form an enduring theme that lies at the heart of the choices he makes in his personal and professional life. This study will help the reader to understand the relationship between Herriot's stories and each book as a whole and to appreciate Herriot's work in the context of twentieth-century anxieties about identity and meaning. Following a biographical chapter that describes the relationship between Herriot's life and literary work, Rossi discusses the genre of autobiography, the relationship between truth and fiction in modern autobiography, and Herriot's use of the genre. A separate chapter is then devoted to each of Herriot's works in turn: *All Creatures Great and Small*, *All Things Bright and Beautiful*, *All Things Wise and Wonderful*, *The Lord God Made Them All*, and *Every Living Thing*. The discussion of each work includes sections on plot development and narrative structure, character development, thematic issues, and alternative critical approaches that may be fruitfully applied to the book. Helpful appendices contain identifications of minor characters in the works, a complete bibliography of all of James Herriot's works, critical sources, and a listing of reviews of all of his works. This volume completes the study. Because of the popularity of Herriot's work among adults and young adults, this companion will be a key purchase for school and public libraries.

**Ken Follett** Richard C. Turner Ph.D., 1996-11-25 Ken Follett had the purest of motives when he began writing fiction: he did it for the money. But after *Eye of the Needle* catapulted him to success and secured his reputation as a master of the spy thriller, he both built on that success with other

spy thrillers and experimented equally successfully with other genres such as the family saga and the historical romance This is the first full length study of his work and it includes individual examinations of each of his major novels from *Eye of the Needle* 1978 to *A Place Called Freedom* 1995 as well as his early novels Following a chapter on Follett s life and career Turner discusses in depth Follett s early novels and his one nonfiction work *On the Wings of Eagles* A genre chapter examines Follett s use of historical settings and his use of the genres of spy thriller saga and historical romance in his novels The rest of the study is devoted to an individual examination of each of his novels in turn with subsections on plot character theme point of view and literary devices Turner also offers an alternative critical approach to reading each novel such as psychoanalytical Marxist or reader response to give the reader another perspective from which to read and discuss it A complete bibliography of Follett s fiction general criticism and biographical sources and listings of reviews of all the novels examined in the study completes the work The only study of one of the best selling writers today who appeals to adults and young adults alike this is a key purchase for schools and public libraries     Arthur C. Clarke Robin Anne Reid, 1997-10-28 Contains detailed analyses of nine novels by author Arthur C Clarke written between 1973 and 1997 and includes information about Clarke s life as well as a discussion of how his work fits into the science fiction genre     Systems from Hell David A. Rochefort, 2024-12-01 This book approaches contemporary fiction as a medium for policy advocacy one whose narrative devices both link it to and distinguish it from other forms of public discourse Using the framework of political agenda setting David A Rochefort analyzes the rhetorical function of problem definition played by literary works when they document and characterize social issues while sounding the call for systemic reform Focusing on a group of noteworthy realist novels by American authors over the past twenty years this study maintains that fictional narrative is a potentially influential instrument of empathic policy argument The book closes by examining the agenda setting dynamics through which a social problem novel can contribute to the process of policy change     **American Mystery and Detective Novels** Larry Landrum, 1999-05-30 Mystery and detective novels are popular fictional genres within Western literature As such they provide a wealth of information about popular art and culture When the genre develops within various cultures it adopts and proceeds to dominate native expressions and imagery American mystery and detective novels appeared in the late nineteenth century This reference provides a selective guide to the important criticism of American mystery and detective novels and presents general features of the genre and its historical development over the past two centuries Critical approaches covered in the volume include story as game images myth criticism formalism and structuralism psychonalysis Marxism and more Comparisons with related genres such as gothic suspense gangster and postmodern novels illustrate similarities and differences important to the understanding of the unique components of mystery and detective fiction The guide is divided into five major sections a brief history related genres criticism authors and reference This organization accounts for the literary history and types of novels stemming from the mystery and detective genre A chronology provides a helpful overview

of the development and transformation of the genre      *The Caring Heirs of Doctor Samuel Bard* Peter Wortsman, 2019-04-09

Carl Edmund Rollyson, Lisa Olson Paddock, April Gentry, 2007 *Critical Companion to Herman Melville* examines the life and work of a writer who spent much of his career in obscurity      **SOCRATES** Jasmine Fernandez, Dr C Upendra, Dr Amarjeet Nayak, Dr Ghasemali Kouchnani, Nadia Maftouni, Alexandros Schismenos, Dr Michelle Blakely, Dr Curtis R. Blakely, Rotimi Adeforiti, Gizachew W. Gifayehu, Prof. (Dr) Inderjeet Singh Sodhi, Dr. Prakash Chand Kandpal, Isha, Sisay Assemrie Temesgen, 2019-04-28 This issue of SOCRATES has been divided into three sections The first section of this issue is English Literature The paper authored by Jasmine Fernandez Dr C Upendra and Dr Amarjeet Nayak explore the medical thriller *Coma* through a grotesque lens This study provides us with the idea that grotesquery is employed as a template to translate meanings and interpretations of medical thrillers Through multiple responses as elicited by the grotesque these thrillers engage with readers differently and hence produce varied responses The second section of this issue is Philosophy The first paper of this section has been authored by Ghasemali Kouchnani and Nadia Maftouni explores the Semiotics of Love in Suhrawardi's Allegorical Philosophy The paper concludes that the theme of Suhrawardi's stories is mystical love and the wayfarer loves God This love is to be spiritual emotion rather than passionate love simply because on his way the seeker must overcome his own inner and outer senses These perceptions are symbolized by ten towers ten graves ten flyers ten wardens five chambers and five gates These are the allegories of perceptions i e the five internal and the five external senses could be seen in *Treatise on Towers* *A Tale of Occidental Exile* *The Simurgh's Shriill Cry* *The Red Intellect* and *On the Reality of Love*

The second paper of this section has been authored by Alexandros Schismenos The paper represents an opinion that as a chimera time travel is non feasible and impossible To support his claim the author briefly outlines the origins of the time travel concept and its epistemological and metaphysical ontological conditions If these conditions prove to be absurd the logical impossibility of time travel will have been demonstrated The third section of this issue is Political science The first paper of this section has been authored by Dr Michelle L Blakely and Dr Curtis R Blakely This paper represents the first application of the Game theory to the field of penology conceptualizing the relationship between prisons and prisoners as a game provides insight into the motivations strategic behaviors and decision making processes of its players The second paper of this section has been authored by Rotimi Adeforiti which tends to identify the factors responsible for the crises of integration in the Nigeria federal system The paper concludes that the foundations of federalism were laid by the British consciously or unconsciously for the existence of Nigeria The country subscribed to federal system of government and had been practicing it The problem facing Nigeria federal system today among others is no longer amalgamation of the country but the interest of various elite or elite to be in the country The third paper of this section has been authored by Gizachew Wondie Gifayehu which attempts to analyse the development and practice of citizenship and citizenship rights in Ethiopia The fourth paper of this section has been authored by Prof Inderjeet Singh Sodhi This paper deals with the current status of water management in India and its emerging issues and challenges The fifth paper of this section has been authored by Dr Prakash Chand Kandpal This paper focuses on the development of sustainable cities highlighting the actions and initiatives undertaken by the Government of Delhi to combat the menace of pollution in Delhi The sixth paper of this section authored by Isha presents the concept of Public Private Partnership and also evaluates its progress in school education in India The paper concludes that the introduction of the PPP model in school education in India could help in the achievement of desired results as the payments are made by the government against the services delivered through the private sector But there is a risk sharing between both government and private sector which is helpful for the delivery of public services in an efficient manner However PPP in the education sector has a long way to go as the schools approved under PPP model in some states of India like Assam Bihar Himachal Pradesh Meghalaya Mizoram Nagaland Odisha Tripura and West Bengal are still not functioning The seventh paper of this section has been authored by Sisay Assemrie Temesgen This paper analyzes the moral acceptability of violent force and retaliation at the individual and community level and in the arena of national and international politics

*No Way of Knowing* Pamela Donovan, 2004-02-24 This book examines both old media treatment of crime legends news reports fictional film and television depictions as well as new media interactive discussions of them via the Internet and electronic mail

**Library Media Connection** ,1999 *Louise Erdrich* Lorena Laura Stookey, 1999-09-30 Louise Erdrich following in the Native American narrative tradition has crafted enduring tales of homecomings Her widely acclaimed debut novel *Love Medicine* garnered prestigious awards and quickly made its way onto bestseller lists and into

readers hearts In this full length critical volume Stookey uncovers the layers of wisdom and humor embedded in Erdrich s engaging writing Stookey analyzing each novel in turn examines the characters and themes that recur in Erdrich s canon of interconnected stories This insightful analysis helps students and lovers of fine literature approach Erdrich s work with greater appreciation for her bold narrative style This study begins with a fascinating biographical account tracing early influences in Louise Erdrich s life The subsequent chapter discusses Erdrich s place in literary tradition as a novelist a poet and a storyteller It also offers lucid analysis of how Erdrich skillfully manages to reconcile traditional and experimental approaches to the construction of her novels A full chapter then examines each novel in terms of literary style plot character development and theme Alternate critical approaches to Erdrich s writing are also given for each of her six major works to date A bibliography and lists of general criticism biographical sources and reviews complete this volume making it an indispensable resource for any reader seeking to develop a greater understanding of Erdrich s writings *Gore Vidal* Susan C. Baker, Curtis S. Gibson, 1997-02-25 Baker and Gibson show that while Vidal s novels are tremendously entertaining they are also serious examinations of a recurring theme the decline of the West in general and the decline of the United States in particular School Library Journal , 1999 **Future T/Issues** Ruth Gehrman, 2024-07-01 Transplant practices are discussed in the medical realm in fictional texts and in popular advertisement Yet how do these sectors intersect and influence each other How can the accounts of surgeons invested in transplant practice be brought into conversation with fictional voices Future T Issues positions transplantation at the intersection of natural science and the humanities and adds to the discussion of organ transplantation by focusing on one specific aspect that is commonly overlooked the idea of speculation By engaging with speculative fiction in conversation with life writing it contributes to a more thorough understanding of transplantation as a cultural practice showcasing that transplantation is imagined as part of the future both within and beyond the literary sphere Hereby this book establishes the relationship between literary and medical narratives as reciprocal in effect eroding boundaries between the life sciences and literary studies As an interdisciplinary endeavor this study contributes to literary studies specifically to the fields of life writing speculative fiction and young adult fiction it offers insights for the study of transplantation in the popular realm and adds to the medical humanities
