Nite, 1978 *That Old-Time Rock & Roll* Richard Aquila, 2024-04-22 Elvis Presley and Bill Haley Sam Cooke and the Shirelles The Crows and the Chords American Bandstand and Motown From its first rumblings in the outland alphabet soup of R B and C W rock roll music promised to change the world and did it Combining social history with a treasure trove of trivia Richard Aquila unleashes the excitement of rock's first decade and shows how the music reflected American life from the mid 1950s through the dawn of Beatlemania His year by year timelines and a photo essay place the music in historical perspective by linking artists and their hits to the news stories movies TV shows fads and lifestyles In addition he provides a concise biographical dictionary of the performers who made the charts between 1954 and 1963 along with the label and chart position of each of their hit songs **Joni Mitchell** Mark Bego, 2005-05-26 In February of 1996 Joni Mitchell was honored by the Grammy Awards in two separate categories which represent the two sides of her creativity As an accomplished painter her self portrait on the cover of her Turbulent Indigo album won her the trophy as Best Album Cover Artist and the music contained on the LP won the Best Pop Performance Female Only months later it was her personal life that was in the headlines as news that the daughter she had given up for adoption as a teenager had been seeking her birth

mother With all of this creative and personal activity in her life Joni is officially back in the spotlight and the time has come for a hard cover biography on this fascinating star Including revealing information from exclusive new interviews rare TV interviews and several inside sources Joni s friends rivals and contemporaries this book will fully examine this beloved performer from every angle public and private Mark Bego will also recount his own 1990s personal interview with the elusive Joni Mitchell herself The book will include an examination of Joni s sudden role as a mother in her 50 s as her daughter Kileen successfully finds her after over 30 years The truth about her rumored love affairs with Crosby Stills Nash AND Young Her relationships with James Taylor Bonnie Raitt Linda Ronstadt Bob Dylan Peter Gabriel Judy Collins and Georgia O Keefe Joni s rich catalog of music and her place in rock roll history *The Kids' World Almanac of Music* Elyse Sommer,1992

Explores the world of music its history origins instruments and terminology *Cher* Mark Bego,2001 Pop phenomenon Cher has had one of the most surprising and long lasting careers in American entertainment Her run of hits and comebacks have continued to defy expectations right up to her Grammy Award winning song Believe and subsequent tour and HBO special Cher s string of successes includes dozens of hit songs from the 60s onward two top 10 rated television shows a critically acclaimed appearance on Broadway and a succession of award winning films roles the latest being in Tea with Mussolini In this brand new book pop music authority Mark Bego tackles all the recent developments including her well documented grief after ex husband Sonny Bono s tragic death Cher If You Believe also includes the most complete discography ever of her career as well as a boyfriend ography **The New Rolling Stone Encyclopedia of Rock & Roll** Patricia Romanowski Bashe,Patricia Romanowski,Holly George-Warren,Jon Pareles,1995 Selected by the Rock and Roll Hall of Fame as its official source of information this authoritative volume first published in 1983 once again tops the charts with its full coverage of every aspect of the rock scene Accompanying the more than 2 200 performer profiles are essays that reveal the artists musical influences first breaks hits and misses and more *The Rockin' 60s: The People Who Made the Music* Brock Helander,2001-01-01 The Rockin 60s is a comprehensive guide through the decade that produced the greatest music of all time The Beatles The Rolling Stones Bob Dylan Jimi Hendrix Led Zeppelin Phil Spector The Beach Boys Aretha Franklin and hundreds more emerged from this era Delve into a narrative history of each group and examine the people behind the music along with an analysis of key recordings discography and archival photos throughout *Understanding Elvis* Susan M. Doll,2016-12-05 Although the importance of Elvis Presley s Southern heritage has long been recognized few have considered the complex connection between the performer s career and his Southern roots This study investigates how that identity affected each stage of Presley s career Elvis Presley s career can be divided into three phases each of which is signified by a specific image Each image is coded by a certain style of music mode of dress and arena of performance The evolution from one career phase to another was instigated by a specific event and represented a deliberate calculation on the part of Presley s manager to attract a wider audience The first stage spans the years 1956 through 1958 after the singer was introduced to a

national audience and before he was drafted into the army His image as a notorious rock n roller created a national controversy and was spurred by negative depictions of Presley in the media many attributing his controversial performing style and appearance to his Southern background His music was a fusion of rhythm and blues and country western or two types of music indigenous to the South and foreign to the mainstream entertainment industry based in New York City The second phase of Elvis career included his stint as a movie star in which most aspects of his Southern identity were extracted from his leading man image to enhance his appeal to the mainstream And finally the last stage of his career focused on his image as a Las Vegas performer Despite the gaudy costumes Elvis reconnected to his identity as a Southerner in the 1970s by returning to country music and songwriters as a source of inspiration **Rock N Roll Gold Rush** Maury Dean,2003 An appreciation of Rock n Roll song by song from its roots and its inspirations to its divergent recent trends A work of rough genius DeanOCO's attempt to make connections though time and across genres is laudable
