*Robots: Rodney Goes to Town* Acton Figueroa, 2005-02-01 Join Rodney as he sets out to make a name for himself in the big city. Although he is only a young robot, Rodney's big heart and talent for inventing should make him a huge success. Unfortunately, Robot City no longer values young talent. Instead, the greedy and powerful robot Ratchet is using the city as his own personal junkyard. Will Rodney be able to save the robot metropolis from Ratchet's evil plans? **Within** Sherry Galloway, 2000-09 Rodney, a quiet man that doesn't take chances in life, finds himself in a strange town after wrecking his truck. The town's people of Chimera don't like visitors; their town is theirs. Rodney ignores many warnings he gets from these people who like to visit him in his dreams. He thinks it's his imagination, but is it? After being banished out of Chimera while sleeping, he tries to find Chimera again. The woman he has fallen in love with is there. The more he looks for Chimera, and Lanna, the more he is convinced it was a dream, as everyone he knows had tried to tell him. He finds a clue to back up his belief of Chimera and pushes a little harder to find it. How did he get into this non-existing town in the first place? Will he find Lanna with the help of her mother, who had also been banished out of Chimera? Will he succeed in setting many of the town's people free and destroying the mind-controlling funnel that has kept Chimera hidden for many years? **Last Day in Paradise** Robert K. Swisher Jr., 2020-08-21 Banjo Ortega, an old Mexican bandit who hates white people, and Rodney Slugger, a down-on-his-luck white cowboy from Montana, are both men who know they are living relics of the old West. But they must hang onto what they are, no matter the hardships. Banjo Ortega is 85 years old and scratches out a living on 80 acres of land in New Mexico that has been in his family for generations. William Cook, the new owner of the 167,000-acre Last Day in Paradise Ranch, wants Banjo's land for a subdivision and fences off a tiny trickle of water that Banjo and his ancestors used to water their few sheep. But Banjo will not sell. They must kill him. Rodney Slugger becomes the foreman of the Last Day in Paradise Ranch and meets Banjo when he has to fix the fence that Banjo keeps cutting so his sheep can drink. What first starts out as hatred slowly turns into a deep friendship. Together, they fight the efforts of Mr. Cook and his gangsters to buy Banjo's land. This moving novel about the shrinking West, greed, love, devotion, and murder makes a statement that all mankind should have the right to live the way they choose and can work through their differences.
