Future and Fantastic Worlds Sheldon Jaffery,1987-01-01 *Future and Fantastic Worlds* embodies an unusual approach to the field of bibliographic research including over 700 annotations of every DAW book published through mid 1987 with indexes by author artist and title providing a massive guide to modern SF writers and their works with much background data Interspersed throughout the book are numerous wry irreverent and amusing observations offered by the late and highly respected researcher in this extremely valuable genre tool **Witness of Gor** John Norman,2014-04-01 Ar defeated shamed and systematically looted is occupied by Cosian forces Perhaps Marlenus of Ar alone the great ubar could remind the men of their Home Stone and its meaning But it is thought that he perished in the Voltai Young women from Earth brought to Gor are commonly taken to the markets to be branded collared and sold as the delicious lovely livestock they are Such is the case of a young woman whom we shall call Janice for that was her Gorean slave name In the prison pits of piratical Treve there exists a chained prisoner who believes himself to be of the Gorean peasantry The nature and even the existence of this prisoner strangely enough is a closely guarded secret In order to better keep this secret it is decided that his servant and warder had best not be a native Gorean Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire *Witness of Gor* is the 26th book in the Gorean Saga but you may enjoy reading the series in any order

tolerances and neutralities and even the balance of power long sustained between Ar and the great maritime ubarates things that made the existence of the independent companies possible will vanish a development threatening the very existence of the independent companies But when Cabot arrives in Ar it is a city rife with doubt dissension and treason To whom shall the letters be delivered and whom can he trust Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire Mercenaries of Gor is the 21st book in the Gorean Saga but you may enjoy reading the series in any order **British Paperbacks in Print** ,1985 *The Totems of Abydos* John Norman,2014-04-01 On a primitive planet the missing link may be the aliens living there in this novel of discovery and danger from the author of the Gorean Saga In a far off future two anthropologists gross powerful dissolute Emilio Rodriguez and aspiring young na ve Allan Brenner who unbeknownst to himself carries ancient genes of a sort no longer welcome on Home World have been assigned to conduct a study on Abydos a deeply forested wilderness planet of little note whose only evidence of civilization is a single enclave small rough dingy Company Station a fueling station occasionally utilized by star freighters Within the forest some days from Company Station are the Pons a group of small simian type organisms that seem near the crossroads between animal and rational creature between nature and culture They would appear to constitute an ideal object of study with respect to the origins and foundations of civilization How it came about so to speak that something once emerged from the lair or cave that was so radically different What lies at the beginning The results of the study have already been politically prescribed on Home World that the Pons are to shed light on humanity that it is in its original and unspoiled nature polite sweet kind deferent diffident social noncompetitive and innocent Both Rodriguez and Brenner have a trait in common however which may explain why they have been sent exiled in a sense to such an out of the way locale Both seek the truth They enter the forest **Messages and Documents** Oregon,1913 Books in Print ,1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers
