Rogues And Branding Irons:

Rogues and Branding Irons Jack Fitzgerald, 1987-01-01 **Canadian Books in Print. Author and Title Index**
, 1975 **Rogues' Company** Harry Harrison Kroll, 1943 *Nominalism and Literary Discourse* Hugo Keiper, Christoph Bode, Richard J. Utz, 1997 Influential accounts of European cultural history variously suggest that the rise of nominalism and its ultimate victory over realist orientations were highly implemental factors in the formation of Modern Europe since the later Middle Ages but particularly the Reformation Quite probably this is a simplification of a state of affairs that is in fact more complex indeed ambiguous However if there is any truth in such propositions which have after all been made by many prominent commentators such as Panofsky Heer Blumenberg Foucault Eco Kristeva we may no doubt assume that literary texts will have responded and in turn contributed in a variety of ways to these processes of cultural transformation It seems of considerable interest therefore to take a close look at the complex precarious position which literature as basically a symbolic mode of signification held in the perennial struggles and discursive negotiations between the semiotic twin paradigms of nominalism and realism This collection of essays many of them by leading scholars in the field is a first comprehensive attempt to tackle such issues by analyzing representative literary texts in terms of their underlying semiotic orientations specifically of nominalism but also by studying pertinent historical theoretical and discursive co n texts of such developments in their relation to literary discourse At the same time since literary nominalism and realism are conceived as fundamentally aesthetic phenomena instantiating a genuinely literary debate over universals consistent emphasis is placed on the discursive dimension of the texts scrutinized in an endeavour to re orient and consolidate an emergent research paradigm which promises to open up entirely new perspectives for the study of literary semiotics as well as of aesthetics in general Historical focus is provided by concentrating on the English situation in the era of transition from late medieval to early modern c 1350 1650 but readers will also find contributions on Chr tien de Troyes and Rabelais as well as on the aftermath of the earlier debates as exemplified in studies of Locke and post modern critical altercations respectively which serve to point up the continuing relevance of the issues involved A substantial introductory essay seeks to develop an overarching theoretical framework for the study of nominalism and literary discourse in addition to offering an in depth exploration of the nominalism realism complex in its relation to literature An extensive bibliography and index are further features of interest to both specialists and general readers **Shara** Steven E. Wedel, 2013-04-23 Shara Wellington is a shy almost invisible young woman on her college campus but Professor Josef Ulrik sees something in her and offers her a way to overcome her self doubt Reluctant at first Shara finally accepts his Gift but being a werewolf in the human world is simply a different set of problems Then something happens with Shara and she suddenly becomes the focus of the Pack Will she be the one to bring into the world the long awaited Alpha Some want to celebrate her but others want to destroy her **Wrong Side of the Law** Edward Butts, 2013-07-27 Bestselling true crime author Edward Butts presents a rogues gallery of

The Rogue's Prize Katherine Bone,2018-08-28 An unlikely alliance may be the key to the ultimate prize Captain Henry Guffald is no ordinary sea captain

As a member of Nelson's Tea he regularly takes on dangerous missions under the guise of a British naval officer in an effort to stop Napoleon's reign of terror domestically and abroad. And this time he's been ordered to sail to Spain and rescue a comrade who was captured by one of Napoleon's strongest allies. Not only does his friend's life hang in the balance but he is carrying crucial intel that cannot fall into enemy hands. Failing is not an option and after a recently botched mission it's also Henry's last chance to prove himself to Admiral Nelson. But succeeding is not such an easy task especially when his plan is foiled by a beautiful female pirate. Lady Adele Seaton would no sooner give up the sea's call to rove than sit at home like a proper woman of the ton. So when news arrives that her brother has been imprisoned in Spain she quickly develops a strategy to rescue him and sets sail to intercept the first Royal Navy ship she encounters. Ready to put her plan in motion Adele is a brilliant tactician but not everything can be predicted. She certainly doesn't expect to meet her match in a navy captain determined to outwit her at every turn. Now Henry and Adele must join forces to save her brother and keep the secrets of the Crown just that secret. But sparks fly between more than just their swords and their passion might very well be their undoing.

ROGUE DEMON Risa Fey, Enzo's world is full of all manner of ghouls and monsters which the author humorously renders in her sharply observed prose. An entertaining dark fantasy set in a city's demonic underworld. Kirkus Reviews: They say it's better to rule in Hell than serve in Heaven. But Enzo's not so sure anymore. Haunted by the horrors of his fall, Enzo, a demon agent of the Fel, smothered the angst of his impending damnation by indulging in vice with no regard to who it wrecks. But the dreadlord has given him a new assignment: infiltrate the enemy sect of demons known as the Unfallen and recover their captured ally, Lorcan, the alpha of Atro City's pack. Enzo must blend in with his enemies and decide which side of the holy war he's really on, even though he's damned no matter what he chooses. With angelic lore inspired by Milton's *Paradise Lost* and *The Book of Enoch*, this magical, macabre urban fantasy features a brooding BMX riding antihero who wants nothing to do with the forces of good unless it suits him. Dark Fantasy, Urban Fantasy, Horror, Dark Paranormal Romance.
