Roller Babies:

Catching Babies Charlotte G. Borst, 1995 Childbirth is a quintessential family event that simultaneously holds great promise and runs the risk of danger By the late nineteenth century the birthing room had become a place where the goals of the new scientific professional could be demonstrated but where traditional female knowledge was in conflict with the new ways Here the choice of attendants and their practices defined gender ethnicity class and the role of the professional Using the methodology of social science theory particularly quantitative statistical analysis and historical demography Charlotte Borst examines the effect of gender culture and class on the transition to physician attended childbirth Earlier studies have focused on physician opposition to midwifery devoting little attention to the training for and actual practice of midwifery As a result until now we knew little about the actual conditions of the midwife s education and practice *Catching Babies* is the first study to examine the move to physician attended birth within the context of a particular community It focuses on four representative counties in Wisconsin to study both midwives and physicians within the context of their community Borst finds that midwives were not pushed out of practice by elitist or misogynist obstetricians Instead their traditional artisanal skills ceased to be valued by a society that had come to embrace the model of disinterested professional science The community that had previously hired midwives turned to physicians who shared ethnic and cultural values with the very midwives they replaced

The Charismatic Leader Suresh Kenkare, 2014-10-18 In today's complex global business scenario the Charismatic Leader is the organization's transformation specialist His holistic quest raises the organization above internal and external complexities to turn in high quality growth balanced by the five existential dimensions Economic Emotional Intellectual Cultural and Spiritual The end result is far greater than the parts The harmony of these five dimensions produces the sixth dimension organic evolution Charisma the magnetic spiritual force is born of the alchemy of Ethos Pathos and Logos in that order Ethos is what you decide you are about and what you value It gives you the criteria for making life decisions Pathos is how you relate to others and reflects your own personal mastery derived from deep rooted beliefs and values Logos is about your dreams mission and purpose The Charismatic Leader is deeply aware of his Inner Self and divines his own Truths the substance of divine nature in his reflection periods He relentlessly walks the path of those Truths with conscious global mindfulness focusing on the spirit of Self Evolution and not the act of walking You cannot psych yourself into self compassion or peace of mind It comes when your life is in harmony with your Truths A leader's personal

mastery comes from self awareness and the lifelong process of experiencing and learning This book is for everyone who wants to transcend into being a Charismatic Leader in the new age The text supports current trends in leadership towards sustainability employee engagement work life integration collaboration coaching and worldwide connectivity It is a counter narrative to beliefs of entitlement and self indulgence at the expense of earned competency This volume is an excellent reference for leadership courses in universities for trainers and business leaders as well as for the young reader in search of greater self awareness I particularly liked the emphasis on self management over dependence inspiration over autocratic leadership spiritual awareness over constant electronic stimulus without introspection and a focus outward to serving others over short term gains

The Global-Local Interface and Hybridity Rani Rubdy, Lubna Alsagoff, 2013-11-29 The chapters in this volume seek to bring hybrid language practices to the center of discussions about English as a global language They demonstrate how local linguistic resources and practices are involved in the refashioning of identities in a variety of cross cultural and geographical contexts and illustrate hybridity as an enactment of resistance and creativity Drawing on a variety of disciplines and ideological perspectives the authors use contexts as diverse as social media Bollywood films workplaces and kindergartens to explore the ways in which English has become a part of localities and social relations in ways that are of significant sociolinguistic interest in understanding the dynamics of mobile cultures and transcultural flows
