Secrets Of The Ufo:

Secrets of the UFO Don Elkins, Carla Rueckert, 1977 A summary of the twenty five years of philosophical study that preceded the Ra contact This study began with investigation into the metaphysical aspects of the UFO phenomenon The progression from physical sightings to metaphysical implications is carefully traced in SECRETS OF THE UFO and serves as an introduction to the LAW OF ONE series From the book The information in this book is either nonsense or it is the most centrally important thing that you could possibly learn It is allegedly the answer to the strange riddle of the UFO s The information contained herein is not speculation or theory but a condensation and edited arrangement of received communications from the UFOs The obvious weakness of this contactee information is that evidential proof of its validity is not obtainable Its strength lies in its sheer bulk and in the similarity of messages produced by sources widely scattered around the world The last 25 years have produced millions of words of these communications allegedly originating within the UFOs Approximately 15 million people in the U S have reported seeing UFOs more than 2000 contact cases have been reported and about 700 landings have left trace evidence There is no longer any real doubt that UFOs exist The question is Who are they And why are they here It is quite possible that understanding them is the most important endeavor which we can undertake A ufologist is a detective who is exploring the single largest mystery of our time As he wends his way through the elaborate maze of red herrings misinformation cover ups fanatics skeptics true believers and nonbelievers he may well find that his most valuable ally in his search is a good sense of humor Or as Groucho Marx said Either he s dead or my watch has stopped Don Elkins and Carla L Rueckert 1976 *EXPOSING THE GOVERNMENT'S BEST KEPT UFO SECRETS* The UFO Guy, 2013-04-02 Radio Personalities that book me as a guest for their shows and have done so for many years call me The UFO GUY I hope you enjoy my little narrative It s one of several books I have written and still hope to write about my experiences and investigations As you ll soon discover my life has been surrounded by the paranormal and unusual events People that have experienced the unexplained have been drawn to me and I to them If nothing else I hope you ll learn to appreciate why so many UFO and Paranormal Witnesses feel so strongly about their unusual experiences This book takes you on a journey through my most bizarre and amazing UFO cases and helps to blow the lid off the U S Government cover up of this phenomenon It is also a sequel to my first book THE UFO GUY [Secrets of Ufo Technology](#) Kenneth W. Behrendt, 2007-03-01 In *Secrets of UFO Technology* Kenneth W Behrendt author of *The Physics of the Paranormal* reveals some of the conclusions he reached concerning the UFO phenomenon after decades of intensive research The result is a unique treatment of the subject that is far in advance of what has been generally available to date After learning how an extraterrestrial craft negates its normal mass and weight to achieve gravity free inertialess flight you ll be ready to take inspection tours of a typical flying saucer and mother ship During your journey of discovery you ll also learn how UFOs stall automobiles how alien craft and their crews can become invisible how ufonauts levitate themselves for independent flight

SPECIAL REPORT 2011: Hitler's Secret UFO Weapons Jack Follett, 2010 UFO sightings during and after World War II can be traced back to the German weapons makers and their amazing use of electro gravity to power their own manmade ships Many of the ships appear to bear the sign of the Nazi cross on their outer skin which is shown in several of the more dramatic photos in the same way that an airplane would bear insignia on its wings and fuselage This is further borne out by actual newsclippings from The New York Times in which U S soldiers in Europe reported seeing colored spheres flying both singly and in clusters during the war The idea that the Germans were using a secret base in Antarctica to house and maintain their so called UFOs is examined and Admiral Byrd's famous exploratory trip to the frozen south is explained as a military attack on the Nazi stronghold disguised as a scientific mission Apparently the U S forces were no match for the Nazi airships which shot down several planes and forced Byrd's troops to retreat UFO Secrets Revealed Phil Cousineau, 1995

in black suits are seen photographing the homes of the abductees All of this brings us to the matter of what have become known in the domain of alien abduction research as Military Abductions or MILABS According to numerous abductees after being kidnapped by aliens they are kidnapped again by the government These follow up events are the work of a powerful group hidden deep within the military and the intelligence community It is the secret agenda of this highly classified organization to figure out what the so called Grays are really up to And the best way for the government to get the answers is to interrogate those who have come face to face with the UFO phenomenon the abductees Why is the government secretly compiling files on alien abductees Is the alien abduction issue so sinister that it has become a matter of national security proportions
